FMSI	F564
OEM	43022-ST3-E001
Braking System	TRW
Size	
Width	87 mm
Height	35.8 mm
Thickness	14.8 mm
Model_MARKE	Honda

Product Description:

Not only are these brake pads durable and long-lasting, but they also come with a 1-year warranty to give you added peace of mind. You can trust that these brake pads will provide consistent performance and stopping power, even in challenging driving conditions.

One of the standout features of this brake pad set is the use of ceramic material. This material is known for its ability to dissipate heat quickly, which helps prevent brake fade and extend the life of your brake system. Additionally, ceramic brake pads tend to produce less dust and noise compared to other materials, making them a great choice for drivers who prioritize a clean and quiet ride.

The Honda Brake Pad Set also includes rubber shims, which help reduce vibration and noise during braking. These shims are specially designed to fit your Honda vehicle, ensuring a perfect fit and maximum performance.

Whether you're replacing worn-out brake pads or upgrading your front brakes, the Honda Brake Pad Set is an excellent choice. With its durable ceramic material, rubber shims, and 1-year warranty, you can trust that these brake pads will provide reliable performance for miles to come.

Applications:

The Herito Honda Brake Pad Set has a friction coefficient of 0.35, which means it has excellent stopping power and can quickly bring your vehicle to a halt. This makes it perfect for use in a variety of scenarios, from everyday driving to high-performance situations.

One of the most common applications for the Herito Honda Brake Pad Set is for front brake pads. The set is specifically designed for use on the front brakes of Honda vehicles, making it a perfect fit for those who need to replace their front brakes. Whether you're a professional mechanic or a DIY enthusiast, this brake pad set is easy to install and will provide you with excellent stopping power.

The Herito Honda Brake Pad Set is also a great choice for those who want a high-quality product that comes with a warranty. With a 1-year warranty, you can rest assured that you're getting a product that is built to last and will provide you with reliable performance for years to come.

Another great feature of the Herito Honda Brake Pad Set is its OE number, which is 45022-TA0-A00. This number is specifically designed for use with Honda vehicles, ensuring that you get a product that is designed to fit your car perfectly. And with package dimensions of 9.5 x 6.5 x 3 inches, this brake pad set is easy to transport and store, making it a great choice for those who need to replace their front brakes on the go.

In summary, the Herito Honda Brake Pad Set is a top-quality product that is designed specifically for use with Honda vehicles. With its excellent friction coefficient, lightweight design, and easy installation, it is perfect for front brake pads and front brakes. So if you're looking for a reliable and high-quality brake pad set for your Honda vehicle, look no further than Herito's Honda Brake Pad Set.
