### Product Description:

This brake pad set is suitable for use on both the left and right sides of your vehicle and can be installed on the front and rear axles. With a weight of just 5 pounds, it won't add any unnecessary weight to your car, helping to maintain its performance and handling.

The Mercedes-Benz Brake Pad Set features a sleek black color, ensuring that it will blend in seamlessly with your vehicle's existing style. It also meets or exceeds OEM standards, so you can be sure that it will fit and function perfectly with your car. When it comes to brake pads, you want to choose the best. Ceramic brake pads are widely regarded as the best brake pads brands, offering superior stopping power and reduced noise compared to other types of brake pads. The Mercedes-Benz Brake Pad Set is made from high-quality ceramic materials, making it one of the best brake pads ceramic available on the market today.

Whether you're driving on the highway or navigating city streets, you need brakes you can rely on. The Mercedes-Benz Brake Pad Set is designed to provide reliable, consistent performance, ensuring that you can stop your vehicle quickly and safely when you need to.

Upgrade your vehicle's braking system with the Mercedes-Benz Brake Pad Set today and enjoy the peace of mind that comes with knowing you're using the best brake pads available. With its exceptional performance, sleek design, and high-quality construction, this brake pad set is the perfect choice for anyone who demands the best from their vehicle's braking system.

### Applications:

This product is designed to fit the Mercedes-Benz C-Class W204 perfectly, ensuring a smooth and safe driving experience. The brake pads are made of high-quality materials, which provide excellent braking performance and reduce wear and tear. With Herito's brake pad set, you can be sure that your vehicle's braking system will work effectively and efficiently. These brake pads are manufactured in Germany, which is known for producing high-quality automotive parts. The country/region of manufacture is an important factor to consider when buying brake pads because it determines the quality of the product. Herito's brake pad set is made in Germany, which means that it is of the highest quality and will last for a long time.

Herito's brake pad set is also known for its compatibility with the Mercedes-Benz C-Class W204. The other part number for this product is also 0044200820, which means that it is a perfect fit for your vehicle. Installing brake pads that are not compatible with your vehicle can lead to serious problems, such as brake failure. Therefore, it is important to choose the best brake pads brand that offers products that are compatible with your vehicle.

The Mercedes-Benz C-Class W204 is a popular vehicle that is used for both personal and commercial purposes. Therefore, the product application occasions and scenarios for Herito's brake pad set are vast. Whether you are driving on the highway or in the city, these brake pads will provide you with the stopping power you need to keep yourself and your passengers safe. Additionally, if you are a business owner who uses the Mercedes-Benz C-Class W204 for commercial purposes, you can be sure that Herito's brake pad set will provide you with the reliability and durability you need to keep your business running smoothly.
