Product Description:

These brake pads are the perfect replacement for your worn-out or damaged factory brake pads. They are designed to fit perfectly on your Mercedes-Benz C-Class W204 and meet or exceed OEM specifications, ensuring a perfect fit and optimal performance.

As an OEM part, you can trust that these brake pads have been rigorously tested and approved by Mercedes-Benz engineers, ensuring they meet the high standards set by the manufacturer. The ceramic material used in these brake pads is known for its superior performance and durability, making them an excellent investment for your vehicle.

In addition to their exceptional performance, these brake pads are also easy to install, making them a great choice for DIY mechanics and professional technicians alike. With their interchange and other part number being 0044200820, you can trust that these brake pads will fit and perform just like the original parts from the manufacturer.

Overall, the OEM Mercedes Brake Pad Set with manufacturer part number 0044200820 is the best choice for anyone looking for high-quality, durable brake pads for their Mercedes-Benz C-Class W204. With their superior stopping power, long lifespan, and easy installation, these brake pads are a great investment that will keep your vehicle running smoothly and safely for years to come.

Applications:

When it comes to brake pads, Mercedes-Benz owners want nothing but the best, and Herito Brake Pad Set delivers exactly that. These brake pads are made from high-quality materials that are designed to withstand extreme temperatures and provide maximum stopping power. The 1-year warranty provided by the manufacturer ensures that customers can enjoy peace of mind knowing that they are getting a reliable and long-lasting product.

The Herito Brake Pad Set is easy to install and is compatible with Mercedes-Benz C-Class W204 models. The brake pads are designed to provide consistent braking performance, ensuring that the driver can stop the vehicle safely and quickly when needed. Whether you are driving in the city or on the highway, these brake pads will provide the reliability and stopping power you need to stay safe on the road.

These brake pads are suitable for a wide range of applications, including everyday driving, commuting, and long-distance travel. They are designed to provide maximum performance and safety in all driving conditions, making them the perfect choice for Mercedes-Benz owners who demand the very best. Whether you are looking to replace your old and worn-out brake pads or simply want to upgrade to a better-performing product, the Herito Brake Pad Set is the ideal solution for your needs.
