Product Description:

One of the standout features of these brake pads is their thickness. At 10mm, they are thick enough to provide excellent stopping power, making them one of the best types of brake pads on the market. This thickness also ensures that they will last longer, providing you with a safe and reliable driving experience for an extended period.

When it comes to packaging, the Audi Brake Pad Set is designed to make installation and storage as easy as possible. The package dimensions are 9.4 X 6.3 X 3.5 inches, making it compact enough to store in your garage or trunk without taking up too much space. The set comes with four pads, providing you with enough pads to replace the front and rear brake pads in your vehicle.

Whether you're driving in the city or on the highway, having reliable and effective brake pads is crucial. The Audi Brake Pad Set is the best brake pads for cars that require high-quality parts. With its compatibility with Audi A4, A5, and Q5 models, you can be sure that you're getting the perfect fit for your vehicle.

Overall, if you're looking for the best brake pads for your Audi, the Audi Brake Pad Set is a top choice. With its excellent thickness, compact packaging, and compatibility with your car model, you can enjoy a safe and comfortable driving experience for years to come.

Applications:

The Herito Brake Pad Set is incredibly easy to install thanks to its clip-in installation method. This means that you can easily replace your old, worn-out brake pads with these high-quality pads in no time at all. Plus, the wear sensor is included in each pad, making it easy to monitor the health of your brakes and ensure that they are always in top condition.

Each package of Herito Brake Pad Set comes with four pads, giving you everything you need to completely replace the brake pads on your vehicle. And at just 2.5 pounds, these pads are lightweight and won't add any unnecessary weight to your vehicle.

But what really sets the Herito Brake Pad Set apart from the competition is its country of origin. Made in Germany, these brake pads are crafted with the highest quality materials and precision engineering. You can trust that these pads will provide the best performance and reliability for your Audi.

So whether you're a professional mechanic or a DIY car enthusiast, the Herito Brake Pad Set is the perfect choice for anyone looking for the best brake pads for their Audi. Don't settle for anything less than the best - choose the Herito Brake Pad Set today!
