Product Description:

One of the standout features of this brake pad set is the included wear sensor. This sensor provides an added layer of safety by alerting you when it's time to replace your brake pads. This way, you can rest assured that your brake pads are always in top working condition, helping you to avoid any potential accidents out on the road.

Another great feature of this brake pad set is its compatibility with both the front and rear positions of your Audi. This means that you can easily replace all of your brake pads with one convenient set, ensuring that your entire braking system is up to par.

When it comes to brake pads best suited for your Audi, this set is definitely a top contender. Not only is it designed specifically for Audi vehicles, but it also comes with a 1-year warranty, providing you with added peace of mind and protection in case anything goes wrong with your purchase.

Applications:

Whether you're a daily commuter or a weekend warrior, these brake pads are designed to deliver top-notch performance and reliable stopping power. With a weight of just 2.5 pounds, they're lightweight and easy to install using the clip-in method.

One of the standout features of the Herito Brake Pad Set is the included wear sensor. This helps you keep track of the condition of your pads and know when it's time for a replacement. Plus, with a package dimension of 9.4 x 6.3 x 3.5 inches, this set is compact and easy to store in your garage or trunk.

When it comes to choosing the best brand of brake pads, Herito is a top choice among drivers and mechanics alike. With a reputation for quality and reliability, you can trust that these brake pads will perform at their best in all sorts of driving conditions.

So whether you're cruising down the highway or navigating city streets, the Herito Brake Pad Set is sure to meet all your needs. And with a 1-year warranty included, you can rest assured that you're making a smart investment in your vehicle's safety and performance.

Support and Services:
