OEM	SFP000010
Braking System	Lucas Girling
Size	
Width	131.4 mm
Height	62 mm
Thickness	17.2 mm
Model_MARKE	Land Rover Freelander/ Freelander 4

Product Description:

With a height of 74.1mm, the Land Rover Brake Pad Set is specifically designed for Land Rover vehicles, ensuring a perfect fit and optimal performance. The ceramic material used in these brake pads is known for its durability, stability, and low noise characteristics. This makes it one of the best brake pad brands in the market today.

The Land Rover Brake Pad Set is proudly made in the United Kingdom, ensuring that it meets the highest quality standards and specifications. The country of origin is an important factor to consider when choosing brake pads, as it guarantees that the product is manufactured using the best materials and processes.

When it comes to choosing the best kind of brake pads for your Land Rover, ceramic brake pads are an excellent choice. They offer superior braking performance, longer lifespan, and quieter operation compared to other types of brake pads. The Land Rover Brake Pad Set uses ceramic material, making it one of the best brake pads brands in the market today.

Additionally, the Land Rover Brake Pad Set comes with a 1-year warranty, giving you peace of mind knowing that you are getting a reliable and durable product. The warranty covers any defects in materials and workmanship, ensuring that you get the best value for your money.

Upgrade your Land Rover's braking system with the Land Rover Brake Pad Set. Made with the best brake pad brands and materials, this product guarantees reliable and consistent stopping power for your vehicle. Its country of origin, ceramic material, and 1-year warranty make it an excellent choice for any Land Rover owner looking for a high-quality and durable replacement for their brake pads.

Applications:

Herito is one of the best brake pads brands in the market, and this product is a testament to the brand's commitment to quality and performance. The brake pads are made of high-quality ceramic material, which makes them durable and long-lasting. They are designed to provide excellent stopping power, which is essential for safe driving.

The Herito Land Rover Brake Pad Set is suitable for various occasions and scenarios. If you are a Land Rover owner, you can use these brake pads for your daily commute, long road trips, and off-road adventures. The brake pads are designed to perform well in different weather conditions, from hot summers to freezing winters. They are also suitable for different terrains, including rocky, muddy, and sandy terrains.

The Herito Land Rover Brake Pad Set comes with a 1-year warranty, which gives you peace of mind knowing that you are buying a high-quality product that is backed by the manufacturer. The brake pads are easy to install, and you can do it yourself or take your Land Rover to a mechanic.

If you are looking for the best brand of brake pads for your Land Rover, the Herito Land Rover Brake Pad Set is an excellent choice. The ceramic material used to make the brake pads makes them one of the best ceramic brake pads in the market. With a quantity of 4 pieces, you can replace all the brake pads in your Land Rover and be assured of excellent performance and safety.
