OEM	31262706
Braking System	ATE
Size	
Width	156,5mm
Height	69.1mm
Thickness	17.8mm
Model_MARKET	Volve

Product Description:

The brake pad set features an included wear sensor that alerts you when it's time to replace the brake pads. This helps you avoid costly repairs that may result from ignoring worn-out brake pads. Additionally, the wear sensor ensures that you get the most out of your brake pads, saving you money in the long run.

The Volvo Brake Pad Set is made in Germany, a country known for producing high-quality automotive products. The manufacturer uses the latest technology and superior materials to create brake pads that can withstand extreme temperatures, resist wear and tear, and provide consistent braking performance over time.

This package includes four pieces of brake pads, giving you all you need to replace your old, worn-out brake pads. The brake pads are lightweight, weighing just 2.2 pounds, which means they won't add unnecessary weight to your vehicle, resulting in better fuel economy and improved handling.

The package dimensions are 8.5 x 6.5 x 3.5 inches, making it easy to store and transport. You can carry it in your car trunk or have it delivered to your doorstep. The compact size also means that it won't take up too much space in your garage or workshop.

In summary, the Volvo Brake Pad Set is one of the best brake pads brands you can find in the market. It offers a range of features that make it stand out from the competition, including an included wear sensor, lightweight design, and superior quality materials. With this brake pad set, you can enjoy consistent and reliable braking performance, ensuring your safety on the road.

Applications:

The Herito brake pad set is made of high-quality ceramic material, providing superior durability and reliability. Additionally, the ceramic material reduces noise and dust, making for a cleaner and quieter driving experience.

The package dimensions of the Herito brake pad set are 8.5 X 6.5 X 3.5 inches, and the set includes 4 pieces, providing enough pads for both the left and right front brakes.

Whether you're commuting to work or embarking on a road trip, the Herito front brake pad set is the perfect choice for your Volvo vehicle. These brake pads are designed to provide the best disc brake pads for your vehicle, ensuring optimal stopping power and safety on the road.

Don't settle for subpar brake pads that compromise your safety and driving experience. Choose the Herito front brake pad set for the best possible performance and reliability for your Volvo vehicle.

Support and Services:

The Volvo Brake Pad Set is engineered to provide reliable and consistent braking performance for your Volvo vehicle. The brake pads are made from high-quality materials and are designed to meet or exceed OEM specifications for fit, form, and function. The product technical support team is available to answer any questions you may have about the installation or operation of the brake pads. Additionally, Volvo offers a range of services to ensure your vehicle is operating at peak performance, including regular maintenance and repair services. Contact us for more information on how we can support you and your Volvo vehicle.
