

## Cadillac Ceramic Rear Brake Pad Replacement With Shims For Heat Resistance F1702 , 22851702

Our Product Introduction

### Basic Information

- Place of Origin: China
- Brand Name: OEM
- Certification: ISO9000
- Model Number: ALL
- Minimum Order Quantity: 100
- Price: 5.00-25.00
- Packaging Details: export packing
- Delivery Time: 30-60
- Payment Terms: Payment upon delivery
- Supply Ability: Production according to customer demand volume

### Product Specification

- Product Name: Cadillac Ceramic Brake Pad Set With Shims For Heat Resistance
- Model: Cadillac
- Type: Brake Pad
- Material: Ceramic
- Factory No.: ZR-11702
- F/R: R
- FMSI: F1702
- OEM: 22851702
- Braking System: N
- Highlight: **22851702 rear brake pad replacement, Cadillac rear brake pad replacement, 22851702**

## Product Description

Specifications	
Product name	Cadillac Ceramic Brake Pad Set with Shims for Heat Resistance
Model	Cadillac
Type	Brake Pad
Material	Ceramic
F/R	F
Factory No.	ZR-11702
FMSI	F1702
OEM	22851702
Braking System	N
Size	
Width	114.8 mm
Height	44.9 mm
Thickness	16.4 mm
Model_MARKE	Cadillac

### Product Description:

One of the key features of this brake pad set is its powder-coated finish that provides excellent protection against rust and corrosion. This coating not only enhances the longevity of the brake pads but also gives them an attractive and sleek look that complements the overall appearance of your Cadillac vehicle.

Another outstanding feature of the Cadillac Brake Pad Set is its slotted design that helps to dissipate heat and prevent brake fade. The slots increase the surface area of the brake pads, allowing them to cool down faster and prevent overheating during intense braking. This feature is particularly useful for high-performance driving or when towing heavy loads.

When it comes to compatibility, the Cadillac Brake Pad Set is designed to fit perfectly with all Cadillac vehicle models. This ensures that you can enjoy the best braking performance without worrying about compatibility issues or the need for modifications.

Additionally, this brake pad set comes with a limited lifetime warranty, giving you the confidence and peace of mind that you are investing in a high-quality product that is built to last. The warranty covers any defects in materials and workmanship and ensures that you can enjoy the best brake pads for your Cadillac vehicle for a long time.

In conclusion, the Cadillac Brake Pad Set is the best brake pad that you can buy for your Cadillac vehicle. With its powder-coated finish, slotted design, and perfect compatibility, this brake pad set guarantees exceptional braking performance, safety, and durability. The limited lifetime warranty also adds extra value to this product, making it a wise investment for any Cadillac owner.

### Applications:

The Herito Brake Pad Set is designed with a slotted design that helps to increase the brake pad's surface area, providing better-stopping power and reduced brake fade. This feature makes it an ideal product for high-performance driving conditions. The slotted design also helps to reduce the noise generated during braking, making it a great choice for those who want a quieter and smoother ride.

The Herito Brake Pad Set comes with four pieces, which are enough to replace the brake pads on all four wheels of your Cadillac. This product is powder-coated, which means that it is protected from rust and corrosion. Additionally, the brake pads are heat-resistant, which ensures that they can withstand high temperatures and provide consistent performance even in extreme driving conditions.

The Herito Brake Pad Set is an ideal product for those who are looking for a reliable and high-performance brake system. It is perfect for daily driving and high-performance driving conditions. This product is also an excellent choice for those who want a quieter and smoother ride. The slotted design and noise reduction feature makes it one of the best brake pads available in the market today.

Whether you are driving on the highway or in the city, the Herito Brake Pad Set provides exceptional stopping power and durability. It is an ideal product for anyone who wants to upgrade their Cadillac's braking system and ensure that their vehicle is safe and reliable. The Herito Brake Pad Set is one of the best brake pads available in the market today, and it is a product that you can trust.

### Support and Services:

The Cadillac Brake Pad Set is designed to provide optimal stopping power and performance for your vehicle. Our brake pads are made from high-quality materials and are rigorously tested to ensure reliability and durability.

Our technical support team is available to assist with any questions or concerns you may have about the product. We can provide guidance on installation, maintenance, and troubleshooting to help ensure that your brake pads are functioning at their best.

In addition to technical support, we also offer a range of services to enhance the performance and longevity of your brake pads. These services include brake pad replacement, brake rotor resurfacing, and brake fluid flushes.

At Cadillac, we are committed to providing our customers with the highest level of service and support. We stand behind our products and are dedicated to ensuring your satisfaction with every purchase.

### FAQ:

A: The brand name of this brake pad set is Herito.

Q: Is this brake pad set compatible with Cadillac vehicles?

A: Yes, this brake pad set is specifically designed to be compatible with Cadillac vehicles.

Q: How many brake pads are included in this set?

A: This brake pad set includes a total of 4 brake pads, enough for both the front or rear axle of your Cadillac vehicle.

Q: Are these brake pads easy to install?

A: Yes, these brake pads are designed to be easy to install and can be done with basic tools and some mechanical knowledge.

Q: Do these brake pads come with any warranties?

A: We are sorry, but we cannot provide warranty information here. Please refer to the product packaging or contact Herito's customer service for warranty information.
