

Mercedes-Benz Friction Coefficient Drum Brake Pad with Superior Durability 6394200220

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Herito
- Certification: CCC, IATF 16949
- Model Number: 6394200220
- Minimum Order Quantity: 200
- Price: Negotiable
- Packaging Details: Plastic film, custom box packaging, securely packaged
- Delivery Time: Within 7 days
- Payment Terms: Payment upon delivery
- Supply Ability: Production according to customer demand volume

Product Specification

- Product Name: Mercedes-Benz Friction Coefficient Drum Brake Brake Drum With Superior Durability
- Model: Mercedes-Benz
- Type: Brake Shoes
- Material: Ceramic
- Factory No.: ZK-03907
- F/R: R
- FMSI: S956
- OEM: 4514230108
- Braking System: BOSCH
- Highlight: **BOSCH Drum Brake Pad ,
Friction Drum Brake Pad,
6394200220 Drum Brake Pad**

Product Description

Specifications	
Product name	Mercedes-Benz Friction Coefficient Drum Brake Brake Drum with Superior Durability
Model	Mercedes-Benz
Type	Brake Shoes
Material	Ceramic
F/R	R
Factory No.	ZK-03907
FMSI	GS8741
OEM	6394200220
Braking System	BOSCH
Size	
Width	40 mm
Diameter	200mm
Model_MARKE	Mercedes-Benz

Product Description:

The pads come in a sleek black color, adding a touch of style to your vehicle. But don't let the color fool you - these pads are made with superior wear resistance in mind. You can trust that they'll last through even the toughest driving conditions. Our pads are made with a semi-metallic material, which means they're durable and long-lasting. They're also designed with excellent heat resistance, so you won't have to worry about them fading or losing performance over time. When it comes to drum brake replacement, our pads are the top choice. They're easy to install and provide reliable performance, so you can feel confident on the road. Plus, with their high friction coefficient, you'll be able to stop quickly and smoothly - no matter the conditions.

Applications:

One of the key benefits of the Herito Drum Brake Pad is its superior wear resistance. This means that it can withstand heavy use and high temperatures without wearing down quickly, ensuring a longer lifespan and better performance over time. This also makes it an ideal choice for anyone who uses their vehicle frequently or for long periods of time. The Herito Drum Brake Pad is also a great choice for anyone who needs a reliable replacement for their worn-out brake drum pads. These pads are designed to fit perfectly onto the brake drums, ensuring a snug and secure fit that will help prevent any issues with braking performance or safety. They are also made with high-quality materials that are designed to withstand heavy use and extreme temperatures, making them a great choice for anyone who wants a reliable and long-lasting brake pad replacement. Whether you're a professional mechanic or a car enthusiast, the Herito Drum Brake Pad is an excellent choice for anyone who needs a high-quality, durable, and easy-to-install brake pad replacement. So if you're looking for a reliable and long-lasting solution to your brake pad problems, be sure to check out the Herito Drum Brake Pad today!

Support and Services:

Our Drum Brake Pads are designed to provide reliable and consistent stopping power for your vehicle. Our technical support team is available to assist with any questions or concerns regarding the installation, performance, or maintenance of our brake pads. We also offer a range of services, including brake pad replacement and inspection, to ensure that your vehicle's braking system is functioning at its best. Contact us for more information on our product technical support and services.

FAQ:

Q: What is the brand name of the drum brake pads?

A: The brand name of the drum brake pads is Herito.

Q: Are these brake pads suitable for all types of vehicles?

A: No, the compatibility of the brake pads may vary depending on the make and model of the vehicle. Please refer to the product description or consult a professional mechanic for compatibility information.

Q: How long do these brake pads last?

A: The lifespan of the brake pads may vary depending on driving conditions and usage. However, Herito brake pads are known for their durability and long-lasting performance.

Q: Can I install these brake pads myself?

A: It is recommended to have a professional mechanic install the brake pads to ensure proper installation and safety.

Q: Do these brake pads come with any warranty?

A: Please refer to the warranty information provided by Herito for details on any applicable warranties for the brake pads.
