## Product Description

### Product Description:

Featuring a chamfered design, these brake pads offer improved stopping power and reduced noise and vibration. The chamfered edges also help to prevent damage to your rotors, extending the life of your braking system.

Hardware is included with this Volkswagen Replacement Brake Pad Set, making installation quick and hassle-free. You won't have to worry about purchasing additional hardware or making any modifications to your vehicle.

The Fmsi number for these brake pads is D978, indicating that they are a high-quality, OE replacement part. You can trust that these brake pads will meet or exceed the standards set by Volkswagen.

Whether you're commuting to work or taking a road trip with your family, you need reliable brakes to keep you safe on the road. Upgrade to the Volkswagen Disc Brake Pad Set today and enjoy the peace of mind that comes with knowing your vehicle is equipped with top-of-the-line brake pads.

### Applications:

The Herito Volkswagen Brake Pad Kit comes chamfered, which means that the edges of the brake pads have been angled. This feature helps to reduce noise and vibration during braking, providing a more comfortable driving experience.

The Herito Volkswagen Brake Pad Set comes with a factory number of ZK-01014, ensuring that it is a high-quality product that meets strict industry standards. Additionally, the kit includes wear sensors, which will alert you when it's time to replace your brake pads, ensuring your safety on the road.

This Volkswagen Brake Pad Set is designed for both the front and rear wheels of the Volkswagen Santana2000, making it a versatile and convenient choice for owners of this model. The set includes four brake pads, providing complete coverage for your vehicle's braking system.

Whether you're driving in the city or on the highway, the Herito Volkswagen Brake Pad Set will provide reliable and consistent braking performance. So if you're looking for a high-quality brake pad set for your Volkswagen Santana2000, choose the Herito Volkswagen Aftermarket Brake Pad Set.

### Customization:

Customize your Volkswagen Santana2000 with the Herito Replacement Brake Pad Set. These brake pads are designed as an OEM Replacement for your vehicle's braking system. The set includes 4 pieces of brake pads, providing you with the Volkswagen Genuine Brake Pad Set that you need for your car.

### Packing and Shipping:

Product Packaging: Each set of Volkswagen Brake Pad comes in a sturdy cardboard box to ensure safe and secure delivery. The box contains four brake pads for each wheel, along with installation instructions. Shipping: The product will be shipped within 2-3 business

days of placing the order. We offer free shipping in the US, and international shipping rates may vary. The estimated delivery time for domestic orders is 5-7 business days, and for international orders, it is 10-14 business days.
