Product Description

Product Description:

The Toyota Brake Pad Set is made with ceramic brake pad technology, which provides superior stopping power and extended pad life. The ceramic brake pad material is also quieter and produces less dust than traditional brake pad materials, making it an excellent choice for daily drivers and performance enthusiasts alike.

The dimensions of the Toyota Brake Pad Set are 5.5 x 5.5 x 3 inches, making it a perfect fit for a wide range of Toyota vehicles.

Installation is easy and straightforward, with no modifications or special tools required.

When you purchase the Toyota Brake Pad Set, you can rest assured that you're getting a high-quality product that's backed by a 1-year warranty. This warranty covers any defects in materials or workmanship and gives you peace of mind knowing that your investment is protected.

As an OEM part with part number 04466-12130, the Toyota Brake Pad Set is designed to fit perfectly and perform optimally with your Toyota vehicle. Whether you're driving a Camry, Corolla, Highlander, or any other Toyota model, this rear brake pad set is an excellent choice for upgrading your vehicle's braking performance.

Applications:

Each package contains a total of four pieces - two front brake pads and two rear brake pads. This makes it easy to replace all of your brake pads at once, ensuring that your vehicle's braking system is in top condition. Plus, the Herito Brake Pad Set comes with clips to help make installation a breeze.

These brake pads are perfect for a wide range of application occasions and scenarios. Whether you're commuting to work or embarking on a long road trip, you can count on the Herito Brake Pad Set to provide consistent and reliable braking performance. These brake pads are also a great choice for those who frequently drive in stop-and-go traffic, as they are designed to withstand high levels of wear and tear.

In summary, if you need good brake pads for your Toyota, the Herito Brake Pad Set is an excellent choice. With a factory number of ZK-11013, these brake pads are specifically designed to fit Toyota vehicles and come with clips for easy installation. Whether you're driving in routine traffic or challenging conditions, the Herito Brake Pad Set will help ensure that your vehicle stops reliably every time.
