Product Description

Product Description:

The BMW ProAct Ultra-Premium Ceramic Brake Pad Set is made with high-quality ceramic material that provides superior stopping power and reduces brake dust. With a thickness of 10mm, these brake pads are durable and long-lasting. They are manufactured in Germany, ensuring top-quality craftsmanship and materials.

The BMW ProAct Ultra-Premium Ceramic Brake Pad Set also includes a wear sensor, which alerts you when it's time to replace your brake pads. This feature ensures that you're always aware of the status of your brake pads and can replace them before they wear out completely.

Installation is made easy with the included hardware installation kit, which includes all the necessary components for a smooth and hassle-free installation. The BMW ProAct Ultra-Premium Ceramic Brake Pad Set is compatible with BMW front disc brakes, making it a reliable choice for all BMW owners.

Overall, the BMW ProAct Ultra-Premium Ceramic Brake Pad Set is a top-of-the-line brake pad set that provides superior stopping power and durability. With its high-quality ceramic material and included wear sensor, you can trust that these brake pads will keep you safe on the road. Upgrade your BMW brakes today with the BMW ProAct Ultra-Premium Ceramic Brake Pad Set with Hardware Installation Kit.

Applications:

The BMW Brake Pads with Shims are designed to fit seamlessly with your BMW's braking system. The shims included in the package ensure that the brake pads fit perfectly, reducing noise and vibration during braking. This makes for a smoother and quieter driving experience, which is especially important during long journeys.

The BMW QuietCast Disc Brake Pad Set is engineered to meet or exceed original equipment specifications. The set includes hardware to ensure easy and quick installation. This means that you can get back on the road in no time, with the peace of mind that comes with knowing that your brakes are in top condition.

Whether you're a daily commuter or someone who loves to hit the open road, the BMW Brake Pad Set is perfect for all occasions. With a package dimension of 8.5 x 5.5 x 3 inches, this brake pad set is easy to store and transport.

Whether you're driving in the city or on the highway, the BMW Brake Pad Set is perfect for all scenarios. The brake pads are designed to provide reliable and consistent stopping power, even in the most challenging conditions.

The BMW Brake Pad Set comes with a 2-year warranty, which is a testament to the high quality and durability of these brake pads. You can rest assured that your investment is protected and that you'll be able to enjoy safe and reliable braking for years to come.
