- Upc: 885170321235
- Weight: 2.5 Pounds
- Material: Ceramic
- Country Of Origin: Germany
- Highlight: **2.5 Pounds BMW Brake Pad Set,  
Rear BMW Brake Pad Set,  
Front BMW Brake Pad Set**

## Product Description

### Product Description:

One of the key features of the BMW QuietCast Disc Brake Pad Set is its wear sensor. This sensor is included with the brake pads and is designed to alert you when it's time to replace them. This ensures that you always have the best possible braking performance and helps prevent damage to your vehicle's brake system.

Another important attribute of these brake pads is their ceramic construction. Ceramic is an ideal material for brake pads because it provides excellent stopping power while also being extremely durable. This means that these brake pads will last longer than many other types of pads and will provide consistent performance over their lifespan.

The BMW QuietCast Disc Brake Pad Set is made in Germany, which is known for its high-quality manufacturing standards. This means that you can trust that these brake pads are made with the best materials and are built to last.

These brake pads have a thickness of 10mm, which is designed to provide optimal stopping power. This thickness also helps to ensure that the brake pads wear evenly, which means that you'll get the most out of each set of pads.

Finally, the BMW QuietCast Disc Brake Pad Set comes with a 2-year warranty. This warranty ensures that you can buy with confidence, knowing that if there are any issues with your brake pads, you'll be covered.

Overall, if you're looking for a high-quality, reliable, and long-lasting brake pad set for your BMW, the BMW QuietCast Disc Brake Pad Set or the BMW ProAct Ultra-Premium Ceramic Brake Pad Set is an excellent choice. With its wear sensor, ceramic construction, German manufacturing, and 2-year warranty, these brake pads are sure to provide the performance and reliability you need.

### Features:

Product Name: BMW Brake Pad Set

Position: Front And Rear

Hardware: Included

UPC: 885170321235

Wear Sensor: Included

Package Dimensions: 8.5 X 5.5 X 3 Inches

Features:

BMW Brake Pads with Shims

BMW Performance Carbon Ceramic Brake Pad Set

BMW Front Brake Pad Set

### Technical Parameters:

Product Name	BMW QuietCast Disc Brake Pad Set
Weight	2.5 Pounds
UPC	885170321235
Thickness	10mm
Country Of Origin	Germany
Warranty	2 Years
Package Dimensions	8.5 X 5.5 X 3 Inches
Hardware	Included
Wear Sensor	Included
OE Number	34 11 6 761 244
Material	Ceramic
Product Type	BMW ProAct Ultra-Premium Ceramic Brake Pad Set

### Applications:

The BMW Brake Pad Set comes with a built-in wear sensor that helps you keep track of the brake pad's condition, ensuring that you can replace them in time before they start causing any issues. This product has a thickness of 10mm, which makes it durable enough to withstand high-intensity usage without wearing out easily.

The OE Number of this product is 34 11 6 761 244, which guarantees that it is an authentic BMW product that is made in Germany. You can be sure that you are using a product that is manufactured with the highest standards and quality control measures in place.

This BMW Front Brake Pad Set is perfect for replacing the front brake pads of your BMW. It is a great choice for those who are looking for a reliable and high-performance brake pad set that can withstand intense use and deliver impressive stopping power.

If you need to replace both the front and rear brake pads of your BMW, the BMW Front and Rear Performance Disc Brake Pad Set is an excellent choice. This product is designed to provide optimal braking performance, ensuring that you can stop your vehicle instantly, even in emergency situations.

This product comes with a 2-year warranty, which is a testament to its high quality and durability. You can be sure that you are investing in a product that will last for a long time and deliver optimal performance for your BMW.

The BMW Brake Pad Set is a must-have for BMW owners who value quality, reliability, and performance. Whether you need to replace your front brake pads or both the front and rear brake pads, this product is an excellent choice that will deliver impressive results.

**Customization:**

**Packing and Shipping:**

**Product Packaging:**

The BMW Brake Pad Set comes in a sturdy cardboard box with the BMW logo and branding. Inside the box, the brake pads are securely packed with foam inserts to prevent any damage during transportation. The packaging also includes installation instructions and a warranty card.

**Shipping:**

Our shipping process is fast and reliable. We use trusted courier services to ensure that your BMW Brake Pad Set is delivered to you in a timely and safe manner. Orders are typically processed within 24 hours and are shipped out within 2-3 business days. Once your order is shipped, you will receive a tracking number via email so that you can track your package until it reaches you.
