

Chamfer Design Brake Pad Tool 8.5 X 5.5 X 2.5 Inches For Smooth Performance

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: OEM
- Certification: ISO9000
- Model Number: ALL
- Minimum Order Quantity: 100
- Price: 5.00-25.00
- Packaging Details: export packing
- Delivery Time: 30-60
- Payment Terms: T/T, LC
- Supply Ability: 15 Million

Product Specification

- Asbestos-Free: Yes
- Material: Ceramic
- Factory No: ZK-26008
- Dimensions: 8.5 X 5.5 X 2.5 Inches
- Placement On Vehicle: Front And Rear
- Braking System: GRL
- Fmsi: D451
- Weight: 2.2 Pounds
- Highlight: **Chamfer Design Brake Pad Tool ,
Smooth Performance Brake Pad Tool ,
Brake Pad Tool 8.5 X 5.5 X 2.5 Inches**

Product Description

Product Description:

Made from high-quality ceramic, these disc brake pads are built to last. Ceramic brake pads are known to be more durable and long-lasting than other materials, making them a wise investment for any vehicle owner.

What sets our ceramic brake pads apart is their silent design. The chamfer design reduces noise and vibration, providing a smoother and quieter ride.

When you purchase our Disc Brake Pad Set, you'll also receive all the necessary hardware to install the pads quickly and easily. No need to worry about purchasing additional parts or accessories.

Investing in good ceramic brake pads is essential for maintaining your vehicle's safety and performance. These disc brake pads offer exceptional stopping power and durability, making them a smart choice for any driver. Don't let worn-out brake pads compromise your safety on the road. Upgrade to our Disc Brake Pad Set today!

Features:

Placement On Vehicle: Front And Rear

Product Type: Automotive Replacement Brake Pads

Hardware Included: Yes

Silent Design: Chamfer Design

Factory No: ZK-26008

Material: Good ceramic brake pads, made with the best brake pad material

Technical Parameters:

Placement On Vehicle	Front And Rear
Fmsi	D451
Material	Ceramic
Braking System	GRL
Package Quantity	1 Set (4 Pieces)
Hardware Included	Yes
Oe Replacement	Yes
Friction Material Composition	Ceramic
Silent Design	Chamfer Design
Compatibility	Fits Various Makes And Models

Applications:

The Herito Disc Brake Pad Set FMSI D451 is specially designed for vehicles with GRL braking systems. Its dimensions of 8.5 X 5.5 X 2.5 inches make it an ideal fit for a wide range of cars, SUVs, and trucks. This brake pad set is made with an asbestos-free ceramic material that provides excellent stopping power and reduces dust and noise. The ceramic material also offers longer-lasting performance than traditional semi-metallic brake pads.

The Herito Disc Brake Pad Set is suitable for various application occasions and scenarios. It is perfect for daily driving, commuting, and long-distance travel. Its excellent stopping power makes it an ideal choice for high-speed driving, such as on highways or race tracks. The ceramic material used in this brake pad set also makes it suitable for heavy-duty applications, such as towing and hauling.

The Herito Disc Brake Pad Set is easy to install and requires no special tools or skills. It is a perfect replacement for your old, worn-out brake pads and provides reliable and consistent performance. With the Herito Disc Brake Pad Set, you can enjoy smooth, quiet braking with reduced dust and longer-lasting performance.

In summary, if you're looking for the best ceramic brake pads for your vehicle, the Herito Disc Brake Pad Set is an excellent choice. Its OE replacement design, FMSI D451 rating, GRL braking system compatibility, and asbestos-free ceramic material make it a reliable and durable product. Its dimensions of 8.5 X 5.5 X 2.5 inches make it an ideal fit for various cars, SUVs, and trucks. Whether you're daily driving, commuting, or heavy-duty towing, the Herito Disc Brake Pad Set provides excellent stopping power and reliable performance.

Customization:

Looking for the best brake pad material for your vehicle? Look no further than the Herito Disc Brake Pad Set with ceramic friction material composition. This brake pad set features a chamfer design for silent operation, ensuring a smooth and quiet ride. Weighing in at 2.2 pounds, these brake pads include all necessary hardware for easy installation. Trust the best brake pad brand for your braking system - the Herito Disc Brake Pad Set is designed for use with GRL systems.
