## Product Description

### Product Description:

The Akebono braking system is known for its high quality and reliability, and this brake pad set is no exception. Made from premium materials, these pads offer excellent stopping power and are perfect for daily driving, as well as performance driving, racing, and other high-speed applications.

With an item weight of just 3.2 pounds, these pads are lightweight and easy to install. They are designed to fit perfectly on your Nissan vehicle, ensuring a secure and stable fit for maximum safety and performance.

Whether you're looking for a Nissan Performance Brake Pad Set to upgrade your vehicle's braking system or a Nissan Racing Brake Pad Set for your high-speed driving needs, this set has you covered. With its superior construction and excellent stopping power, you can trust that your Nissan vehicle will be able to stop on a dime, no matter how fast you're going.

### Features:

Product Name: Nissan Brake Pad Set

Fmsi: D815

Braking System: Akebono

Warranty: 1 Year

Package Quantity: 1

Interchange Part Number: D10609N00A

Looking for reliable brake pad manufacturers? Consider the Nissan 4x4 Brake Pad Set or Nissan Automotive Brake Pad Set, which come with a 1-year warranty and feature the Akebono braking system. This package includes 1 brake pad set with Fmsi D815 and interchange part number D10609N00A. Trust Nissan for quality brake pads you can depend on.

### Technical Parameters:

Factory No	ZK-22012
Position	Front
Compatibility	Nissan Vehicles
Item Weight	3.2 Pounds
Interchange Part Number	D10609N00A
Oe Number	D10609N00A
Braking System	Akebono
Model	Nissan Teana
Package Quantity	1
Type	Brake Pad

### Applications:

Designed to fit Nissan models, this Nissan Automotive Brake Pad Set is a perfect replacement for your worn-out brake pads. It works seamlessly with Nissan cars, providing excellent stopping power and reduced noise. The ceramic material used in the brake pad set ensures a longer lifespan, allowing you to save on replacement costs in the long run.

Whether you're cruising on the highway or driving in the city, this Nissan Upgraded Brake Pad Set is ideal for any driving occasion. The brake pads are designed to withstand high temperatures and are fade-resistant, ensuring a consistent braking performance in any weather condition. It's perfect for those who demand high-quality brake pads for their Nissan cars.

With its easy installation and excellent performance, this brake pad set is perfect for car enthusiasts and professional mechanics alike. If you're looking for a reliable and durable brake pad set for your Nissan car, look no further than ZKZB's Nissan Upgraded Brake Pad Set.
