### Basic Information

- Place of Origin: China
- Brand Name: OEM
- Certification: ISO9000
- Model Number: ALL
- Minimum Order Quantity: 100
- Price: 5.00-25.00
- Packaging Details: export packing
- Delivery Time: 30-60
- Payment Terms: T/T, LC
- Supply Ability: 15 Million

### Product Specification

- Warranty: 1 Year
- Friction Coefficient: 0.35
- Position: Front
- Oe Number: 45022-TA0-A00
- Package Dimensions: 9.5 X 6.5 X 3 Inches
- Weight: 2 Pounds
- Material: Ceramic
- Shim Material: Rubber
- Highlight: **Accord Premium Ceramic Brake Pad Set,  
Reliable honda brake pad set,  
Durable honda brake pad set**

### Product Description:

With a friction coefficient of 0.35, these brake pads provide excellent stopping power, allowing you to stop quickly and safely in any situation. Whether you're driving in city traffic or on the open road, these brake pads will give you the confidence you need to drive with peace of mind.

These Honda brake pads are specifically designed for Honda vehicles, ensuring a perfect fit and optimal performance. They are an ideal replacement for your front brake pads, providing consistent stopping power and reliability.

In addition to their exceptional performance, these brake pads also come with a wear sensor, which alerts you when it's time to replace them. This helps you stay on top of your vehicle's maintenance, ensuring that your brakes are always in top condition.

Overall, the Honda Brake Pad Set is an excellent choice for anyone looking to replace their front brake pads. With their superior performance, perfect fit, and wear sensor, these brake pads provide everything you need to drive with confidence and safety.

### Features:

### Applications:

The Herito Honda Brake Pad Set is perfect for a variety of application occasions and scenarios. If you're in need of new front brake pads for your Honda, this set is a great choice. The ceramic material provides excellent stopping power and durability, ensuring that your vehicle can safely come to a stop when you need it to. The rubber shim material also helps to minimize noise and vibration during braking, resulting in a smoother and quieter ride.

Whether you're a daily commuter or a weekend warrior, the Herito Honda Brake Pad Set is a reliable and affordable choice for your vehicle. Plus, with a 1-year warranty, you can have peace of mind knowing that your investment is protected.

So why choose the Herito Honda Brake Pad Set? For starters, these brake pads are specifically designed for Honda vehicles, ensuring a perfect fit and optimal performance. The ceramic material provides superior stopping power and durability, making them a great choice for drivers who demand the best. Additionally, the rubber shim material helps to minimize noise and vibration, resulting in a smoother and quieter ride.

Overall, the Herito Honda Brake Pad Set is a great choice for anyone in need of new front brake pads for their Honda vehicle. With its high-quality ceramic material, rubber shim, and 1-year warranty, you can't go wrong with this set. So why wait? Upgrade your Honda's braking performance today with the Herito Honda Brake Pad Set!

### Support and Services:

The Honda Brake Pad Set is a genuine OEM product that is designed to fit perfectly with your Honda vehicle. The brake pads are made of high-quality materials and are rigorously tested to ensure optimal performance and safety. They are engineered to provide maximum stopping power and minimize noise and dust.

If you have any issues or questions regarding your Honda Brake Pad Set, our technical support team is available to assist you. We can

provide guidance on installation, maintenance, and troubleshooting to ensure that your brake system is functioning properly. Additionally, we offer a range of services to keep your Honda vehicle in top condition, including brake inspections, fluid replacements, and more. Trust the experts at Honda to provide you with the best products and support for your vehicle's braking system.

## Packing and Shipping:

### Product Packaging:

The Honda Brake Pad Set product comes in a sturdy cardboard box with the Honda logo on the front. The box includes two sets of brake pads, each set individually wrapped for protection.

### Shipping:

The Honda Brake Pad Set product is shipped via standard ground shipping. The product is carefully packed in a shipping box with appropriate cushioning to prevent damage during transit.
