- Highlight: Long Lasting Ceramic Honda Brake Pads,
Quiet Ceramic Honda Brake Pads,
High-quality honda brake pad set

Product Description

Product Description:

Made from high-quality ceramic materials, these brake pads are designed to withstand the high temperatures and pressures associated with braking. They are also resistant to wear and tear, making them a long-lasting and cost-effective option for your front brakes. Each set includes four pieces, enough to replace the front brake pads on your Honda vehicle. With a thickness of 0.5 inches, these brake pads provide ample stopping power without sacrificing safety or performance. And with a friction coefficient of 0.35, they provide excellent grip and control, helping to prevent accidents and ensure a smooth and comfortable ride.

So if you're looking for a high-quality and reliable set of front brake pads for your Honda vehicle, look no further than these ceramic brake pads. With their lightweight design, durable construction, and excellent performance, they are the perfect choice for any driver who demands the best.

Features:

Product Name: Honda Brake Pad Set

Warranty	1 Year
Compatibility	Honda Vehicles
Friction Coefficient	0.35
Thickness	0.5 Inches
Oe Number	45022-TA0-A00
Wear Sensor	Included

Applications:

The Herito brake pad set is made of high-quality ceramic material, which makes it durable and long-lasting. The ceramic material also ensures that the brake pads have a high level of heat resistance, making them perfect for use in high-performance vehicles. The set weighs only 2 pounds, which makes it lightweight and easy to handle.

The shim material of the Herito brake pad set is made of rubber, which helps to reduce noise and vibration when braking. This ensures a smooth and quiet ride, making it perfect for those who want a comfortable and hassle-free driving experience.

The Herito brake pad set comes with 4 pieces, which is enough to replace the front brake pads of your Honda vehicle. The package dimensions of the set are 9.5 x 6.5 x 3 inches, which makes it easy to store and transport.

The Herito brake pad set is perfect for use in a variety of occasions and scenarios. It is ideal for those who drive their Honda vehicle on a daily basis, as well as those who use it for high-performance driving. The brake pad set is perfect for those who want to ensure the safety and reliability of their vehicle's braking system, especially for front brakes.

Overall, the Herito brake pad set is a great investment for any Honda vehicle owner. It is durable, long-lasting, lightweight, and easy to handle. The rubber shim material ensures a smooth and quiet ride, while the ceramic material ensures a high level of heat resistance. The set comes with 4 pieces, which is enough to replace the front brake pads of your Honda vehicle. With its high-quality and reliable performance, the Herito brake pad set is a must-have for any car owner who desires a safe and comfortable driving experience.

Support and Services:

Honda Brake Pad Set is designed to provide reliable and consistent stopping power for your vehicle. Our brake pads are made with high-quality materials and undergo rigorous testing to ensure optimal performance and durability.

Our technical support team is available to answer any questions you may have about installation, maintenance, or compatibility.

Additionally, we offer a range of services to help you get the most out of your brake pads, including brake system inspections, brake fluid flushes, and rotor resurfacing or replacement.

At Honda, we are committed to providing our customers with the best possible experience. That's why we stand behind every product we sell and offer a comprehensive warranty on all of our brake pad sets. If you experience any issues with your Honda Brake Pad Set, please contact us and we will do everything we can to make it right.
