Product Description

Product Description:

These Honda brake pads are engineered to meet or exceed OE specifications, ensuring a perfect fit and optimal performance. The OE number 45022-TA0-A00 is stamped on each pad, guaranteeing authenticity and compatibility with your vehicle. Installing these front brake pads is a straightforward process, and the set includes everything you need for a hassle-free upgrade. With a 1-year warranty, you can have peace of mind knowing that your investment is protected. The friction coefficient of 0.35 delivers smooth and consistent braking performance, making these front brake pads an ideal choice for daily drivers and performance enthusiasts alike. Whether you're commuting to work or hitting the track, you can count on these pads to deliver reliable and consistent stopping power. Don't settle for subpar braking performance – upgrade to these Honda brake pads and experience the difference for yourself. Whether you're looking to replace worn-out pads or simply want to enhance your vehicle's performance, these front brake pads are the perfect choice.

Product Name: Honda Brake Pad Set
Shim Material: Rubber
Position: Front
Material: Ceramic
Oe Number: 45022-TA0-A00
Compatibility: Honda Vehicles
Designed for front brakes
Includes front brake pads
Provides reliable stopping power for front brakes

Technical Parameters:

Shim Material	Rubber
Quantity	4 Pieces
Warranty	1 Year
Weight	2 Pounds
Material	Ceramic
Friction Coefficient	0.35
Thickness	0.5 Inches
Compatibility	Honda Vehicles
Position	Front
OE Number	45022-TA0-A00

Applications:

The Herito Brake Pad Set is a perfect replacement for your old, worn-out brake pads. These brake pads are designed to provide you with optimal braking performance, ensuring your safety on the road. The front brake pads are specifically engineered to withstand intense pressure and heat, making them perfect for heavy-duty applications. The Herito Brake Pad Set is easy to install and comes with a 1-year warranty. The package dimensions for this product are 9.5 X 6.5 X 3 inches, making it easy to transport and store. The Herito Brake Pad Set is suitable for various occasions and scenarios. Whether you are driving in the city or on the highway, these brake pads will provide you with the stopping power you need. These brake pads are also perfect for off-road adventures, as they are designed to withstand tough conditions and provide reliable performance. Overall, if you are looking for a reliable and high-quality brake pad set for your Honda vehicle, the Herito Brake Pad Set is an excellent choice. It provides you with front and rear brake pads, ensuring optimal braking performance and safety on the road.

Support and Services:

The Honda Brake Pad Set is designed to provide reliable and consistent stopping power for your vehicle. Made with high-quality materials, these brake pads are engineered to meet or exceed OEM specifications for fit, form, and function. Our product technical support team is available to assist you with any questions or concerns you may have about the product. We offer a range of services including installation instructions, troubleshooting, and warranty information. When it comes to brake pads, safety is a top priority. That's why we highly recommend having a professional mechanic install your Honda Brake Pad Set to ensure proper installation and maximum performance.
