Rubber Shims TA Brake System**

Product Description

Product Description:

The Honda Brake Pad Set is designed specifically for the front brake system of Honda vehicles. With a perfect fit and superior performance, these front brake pads are a must-have for any Honda owner. The front brake system is one of the most critical components of your vehicle, and the Honda Brake Pad Set ensures that your front brakes are operating at optimal levels.

The package dimensions of the Honda Brake Pad Set are 9.5 x 6.5 x 3 inches, making it easy to store and transport. The compact size of the package allows for convenient storage in your garage or trunk, so you always have front brake pads on hand when you need them.

The Honda Brake Pad Set includes a rubber shim material, which helps to reduce noise and vibration during braking. This added feature makes for a more comfortable and seamless driving experience. The rubber shim material also helps to prevent damage to your front brake system, extending the life of your front brake pads.

Don't settle for subpar front brake pads. Upgrade to the Honda Brake Pad Set for superior performance and reliability. Whether you're commuting to work or embarking on a road trip, you can trust the Honda Brake Pad Set to keep your front brakes functioning at their best.

Weight: 2 Pounds

Country Of Origin: Japan

Package Dimensions: 9.5 X 6.5 X 3 Inches

Suitable for front brakes

Technical Parameters:

Product Attribute	Value
Product Name	Honda Brake Pad Set
Position	Front
Quantity	4 Pieces
OE Number	45022-TA0-A00
Thickness	0.5 Inches
Friction Coefficient	0.35
Wear Sensor	Included
Weight	2 Pounds
Package Dimensions	9.5 X 6.5 X 3 Inches
Country Of Origin	Japan
Warranty	1 Year

Applications:

The Herito Brake Pad Set is engineered to fit perfectly onto the front brakes of your Honda car. The package comes with four brake pads, which are sufficient for replacing the front brake pads. The package dimensions of the Herito Brake Pad Set are 9.5 x 6.5 x 3 inches, which makes it easy to store and transport.

The Herito Brake Pad Set is designed with a rubber shim that helps in reducing noise and vibration during braking. The rubber shim material is durable and long-lasting, ensuring that your brakes remain quiet and smooth throughout their lifespan. The Herito Brake Pad Set is designed to provide consistent stopping power and performance, ensuring that your vehicle remains safe and secure on the road. The Herito Brake Pad Set is suitable for various Honda models that require front brake pad replacements. It is an ideal fit for Honda Civic, Honda Accord, and Honda CR-V models, among others. The Herito Brake Pad Set is perfect for those who need a reliable and durable brake pad set that offers excellent stopping power and performance.

In conclusion, the Herito Brake Pad Set is an essential component that helps in maintaining the smooth functioning of the front brakes of your Honda vehicle. Its ceramic material, rubber shim, and 0.35 friction coefficient make it an ideal fit for all Honda models that require front brake pad replacements. The package dimensions and quantity of four brake pads make it easy to store and transport, while its durability and consistency make it a reliable option for all Honda owners.

Support and Services:

The Honda Brake Pad Set is a high-quality product designed to provide reliable and consistent stopping power for your vehicle. Our brake pads are made from premium materials and are rigorously tested to ensure they meet our strict performance standards.

Our technical support team is available to answer any questions you may have about the installation or use of this product. We also offer a range of services to help ensure your brake pads are installed and maintained correctly, including:

Installation instructions

Technical bulletins

Online resources

Warranty support

At Honda, we are committed to providing our customers with the highest level of service and support. If you have any questions or concerns about your brake pads, please don't hesitate to contact us.

Packing and Shipping:

Product Packaging:

The Honda Brake Pad Set comes in a sturdy cardboard box. Inside the box, the brake pads are individually wrapped in plastic to prevent any damage or contamination during shipping and storage. The box also includes an installation manual and a warranty card.

Shipping:

The Honda Brake Pad Set is shipped directly from our warehouse using a reliable shipping service. The product is carefully packed to ensure that it arrives in perfect condition. We offer free standard shipping within the United States, and expedited shipping options are also available for an additional fee.
