Product Description

Product Description:

Ensure your vehicle has optimum stopping power with the Honda Brake Pad Set for the front wheels. This set includes four high-quality brake pads made from durable materials to withstand the rigors of daily use. Designed specifically for the front wheels, these brake pads provide superior stopping power and performance. The included wear sensor ensures you know when it's time to replace the pads, so you can maintain optimal safety on the road. With a weight of just 2 pounds, these front brake pads are easy to install and won't add unnecessary weight to your vehicle. Plus, with a 1-year warranty, you can rest assured that you're getting a reliable and durable product. Don't compromise on safety and performance - upgrade your vehicle's front brake pads with the Honda Brake Pad Set today!

Applications:

The package dimensions of the Herito brake pad set are 9.5 x 6.5 x 3 inches, which is a compact size that is easy to store. The package includes front brake pads that are perfect for Honda cars. The brake pads are made of high-quality materials, which ensure long-lasting performance and durability. The brake pads are also equipped with a wear sensor, which helps to detect when the brake pads need to be replaced.

The Herito brake pad set is suitable for various occasions and scenarios. The brake pads are perfect for regular maintenance and replacement of worn-out brake pads. The brake pad set is also perfect for Honda car owners who are looking to upgrade their braking system. Installing the Herito brake pad set ensures that the brakes are responsive and reliable, which is essential for safe driving.

The Herito brake pad set is backed by a 1-year warranty, which guarantees the quality and performance of the brake pads. The warranty ensures that customers can trust the product and rely on it for long-lasting performance. The brake pad set is also easy to install, which makes it a perfect DIY project for Honda car owners who want to save money on mechanic fees.

Support and Services:

The Honda Brake Pad Set is designed to provide reliable stopping power and long-lasting performance. Our brake pads are engineered to meet or exceed OEM specifications, ensuring a perfect fit and consistent performance. Made from high-quality materials, these brake pads are designed to resist fade and reduce noise, vibration, and harshness. Our technical support team is available to answer any questions you may have about installation or maintenance of your Honda Brake Pad Set. We also offer a range of services, including brake pad replacement and brake system inspections to ensure your vehicle is safe and performing at its best.

Packing and Shipping:

Product Packaging:

The Honda Brake Pad Set comes packaged in a sturdy cardboard box to ensure that the product reaches you in excellent condition. The box is designed to protect the brake pads from any damage during shipping and handling.

Shipping:

The Honda Brake Pad Set will be shipped to you via our trusted courier partners within 2 to 3 business days of placing your order. We offer free shipping to all locations within the United States. Once your order has been shipped, we will provide you with a tracking number so that you can track your package's progress.
