Product Description

Product Description:

The OE number for these brake pads is 04465-35290, so you know you're getting genuine Toyota parts. The dimensions of each pad are 5.5 x 5.5 x 3 inches, making them the perfect size for your Toyota's braking system. The factory number for this set is ZK-11013, so you can be sure of the quality and reliability of these pads.

This Toyota Brake Pad Set comes with a 1 year warranty, giving you peace of mind and ensuring that you're covered in case of any defects or issues. The package contains 2 front brake pads and 2 rear brake pads, so you'll have everything you need to replace your worn out brake pads.

These brake pads are made from ceramic, which is a popular choice for brake pads due to its durability and performance. Ceramic brake pads are known for their ability to withstand high temperatures, making them ideal for high performance driving. They also produce less dust than other types of brake pads, which helps keep your wheels clean.

Overall, this Toyota Brake Pad Set is an excellent choice for anyone who wants reliable and high-performing brake pads for their Toyota. With genuine Toyota parts, a 1 year warranty, and ceramic brake pads, you can be sure that you're getting the best quality and performance for your vehicle.

Applications:

Whether you're a professional mechanic or simply a car enthusiast looking for the best possible performance and safety, the ZKZB Brake Pad Set is an excellent choice. With its advanced ceramic brake pad technology, this set provides exceptional stopping power and resistance to wear and tear, ensuring that your Toyota vehicle stops quickly and reliably every time.

The ZKZB Brake Pad Set is ideal for a wide range of product application occasions and scenarios, including everyday commuting, long-distance driving, and high-performance racing. Whether you're driving on the highway, in the city, or on the track, these brake pads will give you the confidence and control you need to handle any situation.

Thanks to their front and rear position design, the ZKZB Brake Pad Set is easy to install and provides consistent performance across all four wheels. With dimensions of 5.5 x 5.5 x 3 inches, these brake pads are compact and lightweight, making them ideal for use in a wide range of Toyota vehicles.

In addition to their superior performance and reliability, the ZKZB Brake Pad Set also comes with a 1-year warranty, giving you peace of mind and confidence in your purchase. With a quantity of 4 pieces, this set provides everything you need to upgrade your Toyota's braking system and ensure the safety and performance of your vehicle.

In summary, if you're looking for high-quality, reliable, and long-lasting ceramic brake pads for your Toyota vehicle, look no further than the ZKZB Brake Pad Set. With its advanced technology, easy installation, and exceptional performance, this set is the perfect choice for any driver or mechanic looking to upgrade their Toyota's braking system.
