Product Description

Product Description:

The ceramic material used in these brake pads provides excellent stopping power and durability. Ceramic brake pads are known for their ability to withstand high temperatures and provide consistent performance in all weather conditions. They also produce less dust than traditional brake pads, which means less mess and easier maintenance.

Each brake pad in this set is designed to meet or exceed OEM specifications, ensuring a perfect fit and optimal performance. The OEM part number for this brake pad set is 04466-12130, so you can be sure that it will work seamlessly with your Toyota vehicle.

The dimensions of each brake pad in this set are 5.5 x 5.5 x 3 inches, making them the perfect size for your vehicle's braking system.

Whether you're replacing worn-out brake pads or upgrading to a higher-quality set, the Toyota Brake Pad Set is an excellent choice.

In summary, if you're in need of a high-quality and reliable rear brake pad set for your Toyota vehicle, the Toyota Brake Pad Set is the perfect choice. With its ceramic material, OEM specifications, and perfect fit, this brake pad set will provide excellent stopping power and durability for years to come.

Applications:

One of the key features of the ZKZB Brake Pad Set is that it comes with brake pads that have clips. These clips help to ensure a secure fit, which can help to prevent brake noise and vibration. Additionally, the ZKZB Brake Pad Set is an excellent choice for anyone who is looking for good brake pads that are also easy to install.

When it comes to choosing a brake pad set, it's important to choose one that is compatible with your vehicle. The ZKZB Brake Pad Set model 201562 has an interchange part number of 04465-35290, D1210, ACT1210, and an OEM number of 04466-12130. This makes it a great choice for anyone who is looking for a brake pad set that is compatible with a wide range of vehicles.

Overall, the ZKZB Brake Pad Set model 201562 is a great choice for anyone who is looking for good brake pads that are easy to install and come with clips for a secure fit. Whether you're a professional mechanic or a DIY enthusiast, this brake pad set is sure to meet your needs.
