Product Description

Product Description:

The Ford Low Dust Brake Pads are a great choice for anyone who wants to keep their Ford vehicle running smoothly and safely. They are designed to reduce dust and noise, which means they are ideal for anyone who wants to keep their wheels clean and their ride quiet. With a weight of just 2 pounds, these brake pads are easy to install and won't add any unnecessary weight to your vehicle.

The Ford Low Dust Brake Pads come with a limited lifetime warranty, which means you can rest assured that you are getting a high-quality product that will last for years to come. Whether you are driving on the highway or in the city, these brake pads will provide the stopping power you need to stay safe on the road.

In terms of compatibility, these brake pads are designed to work with a wide range of Ford vehicles. If you are unsure whether they will fit your vehicle, simply check the interchange part number, which is FD-67890. This number indicates that the brake pads are compatible with a variety of Ford vehicles, making them a versatile and convenient choice for anyone who owns a Ford.

Overall, the Ford Low Dust Brake Pads are the best brake pads for anyone who wants to keep their Ford vehicle running smoothly and safely. With their high-quality ceramic material, limited lifetime warranty, and compatibility with a wide range of Ford vehicles, these brake pads are the perfect choice for anyone who wants to upgrade their braking system.

Product Name: Ford Brake Pad Set

Country/Region Of Manufacture: United States

Interchange Part Number: FD-67890

Warranty: Limited Lifetime

Dimensions: 10 X 5 X 3 Inches

Other Part Number: FD-BP-SET

Features:

Ford Low Dust Brake Pads

Designed to fit Ford vehicles

Provides excellent stopping power

Long-lasting durability

Easy to install

Quiet operation

The best brake pads for your Ford vehicle

Applications:

The Ford Brake Pad Set comes with 4 brake pads, designed for both the front and rear positions of your vehicle. These brake pads are easy to install and provide reliable and consistent stopping power.

Whether you're driving on the highway or in the city, the Ford Brake Pad Set is perfect for any driving occasion. Whether you're commuting to work or taking a road trip, these brake pads will ensure your safety and comfort on the road.

The Ford Brake Pad Set is also low dust, meaning that it produces less brake dust than other brake pads on the market. This is not only better for the environment, but it also means less time spent cleaning your wheels.

With a limited lifetime warranty, you can trust that the Ford Brake Pad Set will last for years to come. Whether you're a professional mechanic or a DIY enthusiast, these brake pads are a great investment for your Ford vehicle.

Customization:
