Applications:

With its low dust feature, the Ford Brake Pad Set is an ideal choice for drivers who want to keep their wheels clean and free from brake dust. This is especially beneficial for those who own luxury vehicles or who are particular about the appearance of their wheels. Whether you're driving through the city or on the highway, the Ford Brake Pad Set ensures that you can smoothly and efficiently stop your vehicle. Its limited lifetime warranty gives you peace of mind, knowing that you can trust this product to last for the long haul.

The Ford Brake Pad Set comes with 4 brake pads, enough for both the front and rear positions of your vehicle. Its manufacturer part number (FD-BP-SET-001) ensures that you are getting a genuine Ford product, and its place of origin (China) guarantees that it is made with the highest quality standards.

Overall, the Ford Brake Pad Set is the perfect solution for drivers who want to ensure maximum safety and performance on the road. Its low dust feature, limited lifetime warranty, and high-quality materials make it a top choice for those who want the best brake pads for their Ford vehicle.
