Product Description

Product Description:

Constructed from high-quality ceramic materials, these front brake pads offer excellent durability and performance, providing dependable stopping power in a wide range of driving conditions. Ceramic brake pads are known for their low dust output, which means that they won't leave unsightly brake dust all over your wheels.

With a weight of just 2 pounds, these front brake pads are lightweight and easy to install, making them a great choice for DIY mechanics and professional technicians alike. The included OE number, 45022-TA0-A00, ensures that these brake pads are a perfect fit for your Honda, providing reliable and consistent performance every time you hit the brakes.

Whether you're driving in stop-and-go traffic or cruising down the highway, these front brake pads will provide the stopping power you need to stay safe and in control. Don't take chances with your vehicle's braking system - upgrade to these high-quality front brake pads today and enjoy the peace of mind that comes with knowing your brakes are in top condition.

Order now and experience the difference that high-quality front brake pads can make in your Honda's performance and safety. With their superior durability, low dust output, and reliable stopping power, these front brake pads are an excellent choice for any Honda driver looking to upgrade their vehicle's braking system.

Applications:

The Herito Brake Pad Set is suitable for use as front brake pads in Honda vehicles. It is highly recommended for use in scenarios where the original brake pads have worn out or are no longer effective in stopping the vehicle. The Herito Brake Pad Set offers reliable, consistent performance, and provides excellent stopping power for Honda vehicles.

The Herito Brake Pad Set is perfect for use in various occasions and scenarios. For instance, it is ideal for use in city driving, where frequent stops and starts are common. It is also suitable for use in long-distance driving, where the brakes are subjected to prolonged use. Whether you are driving in heavy traffic or cruising on the highway, the Herito Brake Pad Set is the perfect choice for Honda vehicles. Herito Brake Pad Set is made in Japan, which ensures its high quality and durability. It is built to withstand the toughest road conditions and can last for a long time. Additionally, the Herito Brake Pad Set comes with a 1-year warranty, which gives you peace of mind knowing that you are covered in case of any defects or issues.

In conclusion, the Herito Brake Pad Set is the perfect replacement for front brake pads in Honda vehicles. It is designed to meet OE specifications and has a friction coefficient of 0.35. It is suitable for use in various occasions and scenarios, including city driving and long-distance driving. It is made in Japan and comes with a 1-year warranty, making it a reliable and durable choice for Honda owners.
