Product Description

Product Description:

With a thickness of 0.5 inches, these brake pads provide reliable and consistent stopping power, giving you peace of mind while on the road. Made in Japan, you can trust in the quality and precision of these brake pads.

The shim material used in these pads is rubber, which helps to reduce noise and vibration during braking. This makes for a smoother and more comfortable driving experience.

At a weight of only 2 pounds, these brake pads are lightweight and won't add unnecessary weight to your vehicle.

Don't compromise on safety and performance - choose the Honda Brake Pad Set for your front brakes.

Features:

Applications:

This Herito Honda Brake Pad Set comes with four pieces, making it a complete set for both front brakes. The package dimensions of this product measure 9.5 x 6.5 x 3 inches, while the weight is only 2 pounds, making it easy to install. The OE number of this product is 45022-TA0-A00, ensuring that it is a genuine replacement part for your Honda vehicle.

Herito Honda Brake Pad Set is a perfect fit for a range of different product application occasions and scenarios. If you are planning to replace the front break pads of your Honda vehicle, this brake pad set is a must-have. Whether you are driving in the city or on the highway, these brake pads will provide you with the stopping power you need to keep you safe on the road.

These brake pads are also an excellent choice for those who frequently drive in heavy traffic. The high-quality materials used in the construction of these brake pads ensure that they are durable enough to withstand frequent use and extreme temperatures.

Additionally, if you are planning to go on a long road trip, these brake pads are perfect for your vehicle. Whether you are driving on steep inclines or through winding roads, these brake pads will deliver outstanding performance and reliability.

In conclusion, the Herito Honda Brake Pad Set is a must-have for anyone who wants to ensure the safety and reliability of their vehicle's front brake system. With its exceptional performance, durability, and ease of installation, this brake pad set is an excellent investment for your Honda vehicle.

Support and Services:

The Honda Brake Pad Set is designed to provide reliable and consistent stopping power for your vehicle. The set is manufactured using high-quality materials and advanced technologies to ensure optimal performance and durability.

Our product technical support team is available to assist you with any questions or concerns you may have about the product. We can provide guidance on proper installation and maintenance to ensure maximum performance and longevity of the brake pads.

In addition, we offer a range of services to support your brake pad needs. Our services include brake pad replacement, brake system inspection, and brake system repair.

Packing and Shipping:

Product Packaging:

The Honda Brake Pad Set is packaged in a sturdy box with product information clearly displayed on the front and back. The brake pads are securely placed in a plastic tray with a protective cover to prevent any damage during transportation.

Shipping:

The Honda Brake Pad Set is shipped via standard ground shipping and will arrive within 3-7 business days. We offer free shipping on all orders over \$50. For orders under \$50, a flat rate shipping fee of \$5 will be charged. We also offer expedited shipping options for an additional fee.
