- Silent Design: Chamfer Design
- Highlight: **Asbestos-Free Auto Braking System ,
OE Replacement Auto Braking System ,
Performance Auto Braking System**

Product Description

Product Description:

Our Disc Brake Pad Set is designed to fit most vehicles with a GRL braking system. With a weight of 2.2 pounds, it is lightweight and easy to install. The dimensions of this product are 8.5 x 5.5 x 2.5 inches, which makes it a perfect fit for most standard brake systems. Our Disc Brake Pad Set is also an OE replacement, which means that it meets or exceeds the original equipment specifications of your vehicle. This ensures that you get the same quality and performance as your original brake pads.

The factory number of our Disc Brake Pad Set is ZK-26008. This product is made from high-quality materials that are designed to last longer than your average brake pads. It is also designed to minimize noise and vibration, making your driving experience more comfortable and enjoyable.

In conclusion, our Disc Brake Pad Set is the perfect upgrade for your vehicle's braking system. It is lightweight, easy to install, and an OE replacement that meets or exceeds the original equipment specifications of your vehicle. With our best brake pad brand, you can be confident that you are getting the highest quality product that will improve your vehicle's stopping power and safety on the road.

Features:

Product Name: Disc Brake Pad Set

Friction Material Composition: Ceramic

Oe Replacement: Yes

Dimensions: 8.5 X 5.5 X 2.5 Inches

Material: Ceramic

Applications:

One of the standout features of these brake pads is their material. They are made from good ceramic brake pads, which offer superior stopping power and durability. This means you can trust them to perform well in a variety of driving conditions, whether you're cruising on the highway or navigating winding mountain roads.

In addition to their high-quality ceramic construction, these brake pads are also designed to be easy to install. They are an OE replacement, which means they are designed to fit seamlessly into your vehicle's existing brake system without the need for any modifications or special tools. However, if you do need a brake pad tool, ZKZB can provide you with one to ensure a hassle-free installation.

Whether you're a professional mechanic or a DIY car enthusiast, the ZK-26008 factory no and FMSI D451 designation of these brake pads means you can trust in their quality and performance. So why wait? Upgrade your vehicle's braking system today with the ZKZB 3225423 disc brake pad set.

Customization:

The dimensions of the brake pads are 8.5 X 5.5 X 2.5 inches and they weigh 2.2 pounds. Our OE replacement brake pads are made in China with the highest quality standards.

With our brake pad tool, you can easily install your new brake pads and get back on the road. Order your customized ZKZB Disc Brake Pad Set today and enjoy a smooth and safe ride.

Support and Services:

The Disc Brake Pad Set is designed to provide reliable and consistent braking performance. Our technical support team is available to assist with any questions or concerns regarding installation, maintenance, or compatibility. We also offer a range of services to help keep your brake system in optimal condition, including:

- On-site inspections and assessments
- Diagnostic testing and troubleshooting
- Customized maintenance plans
- Training and education for technicians

Our goal is to ensure your safety and the longevity of your braking system. Please do not hesitate to reach out to us for assistance.

Packing and Shipping:

Product Packaging:

Our Disc Brake Pad Set comes in a sturdy cardboard box that ensures the product remains safe during transportation and storage. The box is labeled with our company logo and product information to make it easily identifiable.

Shipping:

We offer free shipping on all orders within the United States. Orders are processed within 24 hours and shipped via standard ground shipping. Customers can expect to receive their orders within 3-5 business days. For international orders, shipping rates may vary and delivery times may be longer.
