## Product Description

### Product Description:

This brake pad set comes in a package quantity of 1 set which includes 4 pieces, giving you everything you need to replace your old and worn-out brake pads. The brake pads have a silent design, thanks to the chamfer design that reduces noise and vibration during braking. You can enjoy a smooth and quiet ride every time.

This Disc Brake Pad Set includes hardware, making it easy for you to install and replace your brake pads quickly and hassle-free. You won't need to buy any additional brake pad tool as everything you need is already included in the package. The hardware included ensures that your new brake pads fit perfectly and function efficiently.

With good ceramic brake pads, you can trust that your vehicle's braking system is in good hands. Ceramic brake pads are known for their durability, longevity, and resistance to wear and tear. They can withstand high temperatures, making them ideal for high-performance vehicles and those that frequently travel on steep terrain.

Overall, the Disc Brake Pad Set is an excellent investment for your vehicle's safety and performance. With its ceramic material, perfect dimensions, silent design, and included hardware, you can replace your old and worn-out brake pads with ease and confidence. Don't wait until it's too late - get your hands on this brake pad tool today!

### Features:

Product Name: Disc Brake Pad Set

Braking System: GRL
