| Factory No     | ZK-01001             |
| Dimensions     | 8.5 X 7.5 X 3 Inches |

### Applications:

Made in China with high-quality materials, this brake pad set is designed to meet or exceed OEM standards for fit and performance. It is specifically designed for use with Volkswagen vehicles, ensuring a perfect fit and reliable braking performance.

With its Lucas braking system, this brake pad set is engineered to deliver exceptional stopping power and long-lasting durability. It features OE number 5Q0698151G and OEM 7M3698151A, making it a direct replacement for your original VW brake pads.

Whether you're looking to replace worn-out brake pads or upgrade to a higher-quality aftermarket option, the Herito 201562 VW Replacement Brake Pad Set is an excellent choice. This product type is an OEM replacement, so you can trust that it will perform just as well as your original VW brake pads.

Additionally, this brake pad set comes with a 1-year warranty, giving you peace of mind and protection against any defects or issues that may arise.

Whether you're a professional mechanic or a DIY enthusiast, the Herito 201562 VW OEM Brake Pad Set is an excellent choice for Volkswagen vehicles. It is easy to install and provides reliable, consistent braking performance in a variety of driving conditions.

So, whether you're commuting to work, running errands, or hitting the open road, you can trust the Herito 201562 Volkswagen Aftermarket Brake Pad Set to deliver the reliable, high-quality performance you need to stay safe and in control.

### Customization:

### Support and Services:

Our Volkswagen Brake Pad Set is designed to provide reliable and consistent braking performance for your vehicle. Our technical support team is available to answer any questions you may have about installation or compatibility with your specific Volkswagen model.

We also offer a range of services to ensure that your Volkswagen Brake Pad Set is installed correctly and performs optimally. Our technicians are trained to install brake pads with precision and attention to detail. We also offer brake pad replacement services and can provide recommendations for brake fluid replacement.

At Volkswagen, we are committed to providing quality products and services to our customers. If you have any issues with your Volkswagen Brake Pad Set, please do not hesitate to contact our customer service team.
