Product Description

Product Description:

The brake pads are made to fit vehicles with the BOS braking system, ensuring a perfect fit for your car. The BOS braking system is known for its high performance and reliability, making it one of the best braking systems in the market. The brake pads are also equipped with shims, which help reduce noise and vibrations during braking.

When it comes to brake pad replacement, it is important to choose the best pads for your vehicle. The Mercedes-Benz Brake Pad Set is made with high-quality materials, ensuring long-lasting performance and durability. The brake pads are designed to withstand high temperatures, making them ideal for high-performance driving and heavy-duty use.

The Mercedes-Benz Brake Pad Set comes with four brake pads, providing a complete replacement for your vehicle. The OEM part number for this brake pad set is 000 420 47 00, ensuring a perfect fit for your Mercedes-Benz.

To ensure optimal performance, it is important to replace brake pads regularly. Worn out brake pads can reduce stopping power and increase braking distance, putting you and your passengers at risk. The Mercedes-Benz Brake Pad Set provides a reliable and effective solution for brake pad replacement, ensuring maximum safety and performance on the road.

Features:

Product Name: Mercedes-Benz Brake Pad Set

OEM: 000 420 47 00

Package Contents: 4 Brake Pads

Other Part Number: 0044200820

Installation Method: Clip-on

Type: Brake Pad

These brake pads are one of the best brake pad brands on the market. They are designed to provide excellent stopping power and are known for their durability and longevity. If you're looking for brake pads that offer top-notch performance, these are the best brake pads for you.
