- Heat Resistant: Yes
- Position: Front And Rear
- Quantity: 4 Pieces
- Shims Included: Yes
- Highlight: **Ceramic Material Disc Brake Pad Set ,
4 Pieces Disc Brake Pad Set ,
Shims Disc Brake Pad Set Ceramic**

Product Description

Product Description:

Our brake pads feature a ceramic compound that is engineered to provide superior performance, making them the best ceramic brake pads on the market. The ceramic material is known for its excellent heat dissipation properties, which means that these brake pads can withstand high temperatures without losing their effectiveness. This makes them perfect for high-performance driving or towing heavy loads.

In addition to their heat resistance, our ceramic brake pads are also designed to last longer than traditional brake pads. They are less likely to wear down quickly or produce excess dust, which means you'll spend less time and money on replacing them.

Our Disc Brake Pad Set also comes with shims included, which helps to reduce noise and vibration during braking. You'll enjoy a smoother, quieter ride with these good ceramic brake pads installed in your vehicle.

These brake pads are OE replacement parts, which means they are designed to meet or exceed the standards set by the original equipment manufacturer. You can trust that they will fit perfectly and perform just as well as the original parts that came with your vehicle.

When you purchase our Disc Brake Pad Set, you'll receive 1 set of 4 pieces. This is enough to replace the brake pads on both the front and rear wheels of your vehicle. You'll have everything you need to upgrade your entire braking system in one convenient package.

Overall, our Disc Brake Pad Set is the perfect choice for anyone who wants to improve the performance and reliability of their vehicle's braking system. With their heat resistance, long-lasting durability, and noise-reducing shims, these ceramic brake pads are the best choice for anyone who takes their driving seriously.

Technical Parameters:

| Product Attribute | Value |
|-------------------|----------------|
| Easy To Install | Yes |
