Basic Information

- Brand Name: Herito
- Model Number: 201562

Product Specification

- Country Of Origin: United Kingdom
- Oe Number: LR025739
- Folding: No
- Item Weight: 3.09 Pounds
- Quantity: 4 Pieces
- Manufacturer Part Number: LR025739
- Product Dimensions: 8.5 X 5.6 X 2.6 Inches
- Fmsi: F927
- Highlight: **Land Rover Brake Pad Set LR025739,**
LR025739 Land Rover Brake Pad Set,
Origin land rover brake pad set

Product Description

Product Description:

The Land Rover Brake Pad Set is an essential component for maintaining optimal braking performance in your vehicle. With an FMSI code of F927, these brake pads are specifically designed to meet the high standards set by Land Rover for their vehicles.

These brake pads have a thickness of 14mm, ensuring durability and long-lasting performance. The thickness of the brake pads is crucial for providing the necessary friction to stop your vehicle safely and efficiently.

As a type of brake pad, this set is engineered to deliver reliable and consistent braking power, making it one of the best brake pads for cars. The quality construction and materials used in these brake pads ensure that they can withstand the demands of daily driving and provide excellent stopping power when you need it most.

In addition to the FMSI code, these brake pads also come with the Other Part Number LR025739 and OE Number LR025739, further confirming their compatibility and reliability for Land Rover vehicles.

When it comes to maintaining your vehicle's braking system, choosing the best brake pads is crucial for your safety and the performance of your car. The Land Rover Brake Pad Set offers top-notch quality and performance, making it one of the best brake pads available in the market.

Investing in high-quality brake pads is essential for ensuring your vehicle's safety on the road. With the Land Rover Brake Pad Set, you can have peace of mind knowing that your vehicle is equipped with the best brake pads that deliver reliable and consistent braking performance.

Don't compromise on safety when it comes to your vehicle's braking system. Upgrade to the Land Rover Brake Pad Set today and experience the difference that the best brake pads can make in your driving experience.

Features:

Product Name: Land Rover Brake Pad Set

Manufacturer Part Number: LR025739

Product Dimensions: 8.5 X 5.6 X 2.6 Inches

Country Of Origin: United Kingdom

Other Part Number: LR025739

Type: Brake Pad

Applications:

The Herito Land Rover Brake Pad Set (Model Number: 201562) is a top-quality product designed for various car models. Made in China, this product offers exceptional performance and reliability, making it one of the best brake pads for cars available in the market.

These ceramic brake pads are specifically engineered to provide superior stopping power, reduced noise, and longer lifespan compared to traditional brake pads. The use of ceramic material ensures that these brake pads are the best kind of brake pads for your vehicle, offering a smooth and consistent braking experience.

Whether you are driving in urban areas, on highways, or off-road, the Herito Brake Pad Set is a perfect choice to ensure safety and performance. The product dimensions of 8.5 X 5.6 X 2.6 inches make it compatible with a wide range of vehicles, providing versatility and convenience.

Each set includes 4 pieces of brake pads, allowing you to replace all the pads on your vehicle for comprehensive maintenance. The OEM part number LR025739 ensures compatibility and precise fit, guaranteeing optimal braking efficiency.

Whether you are a professional mechanic or a car enthusiast looking to upgrade your vehicle's braking system, the Herito Land Rover Brake Pad Set is the ideal choice. With factory number ZR-18001 and originating from the United Kingdom, this product combines British quality standards with Chinese manufacturing expertise to deliver a reliable and durable braking solution.

Customization:

Customize your Land Rover Brake Pad Set with Herito, the leading brand in automotive parts. Model Number: 201562. Place Of Origin: China. Factory No: ZR-18001. OE Number: LR025739. OEM Part Number: LR025739. Manufacturer Part Number: LR025739. Quantity: 4 Pieces.

Upgrade to the best brake pads ceramic for your Land Rover. Experience the superior performance and durability of the best brake pads on the market. Trust in Herito for the best disc brake pads for your vehicle.
