LR025739 land rover brake pad set**

Product Description

Product Description:

The Land Rover Brake Pad Set is a high-quality OEM replacement part designed specifically for Land Rover vehicles, with the OEM Part Number LR025739. This brake pad set includes 4 pieces, providing you with enough pads to cover the front position of your vehicle. The item weight of this brake pad set is 3.09 pounds, ensuring a durable and reliable product.

When it comes to maintaining your vehicle's braking system, using the best brake pads is essential for optimal performance and safety.

These brake pads are designed to meet the high standards set by Land Rover, ensuring a perfect fit and reliable performance.

Replacing your brake pads with genuine OEM parts like these LR025739 brake pads is crucial for maintaining the integrity of your vehicle's braking system. By using OEM brake pads, you can rest assured that you are getting the highest quality product that meets all of Land Rover's specifications.

When it comes to finding the best brake discs and pads for your Land Rover, look no further than this brake pad set. With the OEM Part Number LR025739, you can trust that these pads are specifically designed for your vehicle's make and model, ensuring a perfect fit and reliable performance.

Don't compromise on safety when it comes to your vehicle's brakes. Invest in the best brake pads like these LR025739 pads to ensure that your vehicle stops smoothly and effectively every time. With a quantity of 4 pieces, you can replace all the front brake pads at once, ensuring consistent braking performance on both sides.

Features:

Product Name: Land Rover Brake Pad Set

Other Part Number: LR025739

Quantity: 4 Pieces

Position: Front

OEM Part Number: LR025739

Folding: No

Applications:

Manufactured in China, these brake pads weigh 3.09 pounds and come in a set of 4 pieces, providing you with all the components you need for a complete brake pad replacement. The factory number ZR-18001 ensures that these brake pads meet high-quality standards, making them a reliable choice for your Land Rover.

Originating from the United Kingdom, Herito is known for being one of the best brake pad brands in the market. Their commitment to quality and performance is evident in the design and construction of the 201562 model. These brake pads are designed to deliver optimal braking performance and durability, ensuring your safety on the road.

The Herito Brake Pad Set is suitable for various occasions and scenarios, making it a versatile choice for Land Rover owners. Whether you are driving on city streets, highways, or off-road terrain, these brake pads offer consistent and reliable braking performance.

When it comes to choosing the best type of brake pads for your Land Rover, the Herito Brake Pad Set stands out for its quality, reliability, and performance. With a country of origin in the UK, these brake pads are designed to meet the highest standards and provide you with the confidence you need on the road.

Upgrade your Land Rover's braking system with the Herito Brake Pad Set and experience the difference in performance and safety. Trust in the best brake pad brand to keep you and your vehicle safe in all driving conditions.
