- Type: Parking Brake
- Factory No: ZK-14011
- Chamfered: Yes
- Oe Replacement: Yes
- Highlight: Smooth Braking Disc Brake Pad Set ,
Heat Resistant Disc Brake Pad Set ,
Front Rear Disc Brake Pad Set

Product Description

Product Description:

The Disc Brake Pad Set is a high-quality product designed for use as a Parking Brake. With a comprehensive 1-year warranty, this set of brake pads offers reliability and peace of mind to customers. The pads are chamfered, ensuring smooth and noise-free braking performance.

Manufactured with the best brake pad material, these ceramic brake pads are engineered to provide optimal stopping power and durability. The ceramic material used in these brake pads offers superior performance compared to traditional brake pad materials, making them a top choice for drivers looking for long-lasting and efficient brake pads.

The set includes 4 pieces of brake pads, providing a complete solution for replacing the brake pads on your vehicle. The Factory No. ZK-14011 designation ensures compatibility and precise fit for a hassle-free installation process.

When it comes to ensuring the safety and performance of your vehicle's braking system, choosing the right brake pads is crucial. With the Disc Brake Pad Set, you can trust that you are investing in a top-quality product that delivers on both performance and durability. Whether you are driving in city traffic or on the open road, these brake pads will provide consistent and reliable braking performance.

Upgrade your vehicle's braking system with the Disc Brake Pad Set and experience the difference that premium ceramic brake pads can make. With their chamfered design and high-quality construction, these brake pads are designed to meet the demands of modern driving conditions and provide a smooth and responsive braking experience.

Don't compromise on safety or performance when it comes to your vehicle's brakes. Choose the Disc Brake Pad Set for superior stopping power, durability, and peace of mind on the road. With their exceptional quality and construction, these brake pads are sure to exceed your expectations and provide you with the confidence you need when driving.
