Rear Disc Brake Pad Set**

Product Description

Product Description:

The Disc Brake Pad Set is an essential component for your vehicle's braking system. Specifically designed for the 2010 Touareg V6 3.0T model, these brake pads ensure optimal performance and safety on the road. With a size dimension of 8.5 X 6.5 X 4.5 inches, they are compatible with your vehicle's brake system, providing a perfect fit and reliable functionality.

When it comes to choosing the best brake pad brand for your vehicle, quality and reliability are key factors to consider. These Disc Brake Pads are known for their superior performance and durability, making them a top choice among drivers who value safety and efficiency on the road. Manufactured to meet OEM specifications, these brake pads guarantee a seamless fit and optimal performance, giving you peace of mind while driving.

One of the standout features of these brake pads is their heat-resistant properties. Engineered to withstand high temperatures and intense friction, these brake pads ensure consistent braking performance even in challenging driving conditions. Whether you are navigating steep inclines or driving in stop-and-go traffic, these heat-resistant brake pads will maintain their effectiveness, providing smooth and reliable braking power when you need it most.

Equipped with FMSI code D1497, these brake pads meet industry standards and are designed to deliver exceptional braking performance. The FMSI code signifies the specific characteristics and compatibility of these brake pads, ensuring that they are the right choice for your vehicle's braking system. With these high-quality brake pads installed, you can drive with confidence knowing that your vehicle's braking system is in top condition.

Additionally, having the right brake pad tool is essential for proper installation and maintenance of your vehicle's brake pads. With the Disc Brake Pad Set, you can easily replace your old brake pads with these new, high-quality pads. Whether you are a DIY enthusiast or a professional mechanic, having the right tools and components is crucial for ensuring the optimal functioning of your vehicle's braking system.

In conclusion, the Disc Brake Pad Set is a reliable and high-performance product designed to meet the braking needs of your 2010 Touareg V6 3.0T. With its heat-resistant properties, OEM compatibility, and FMSI code D1497, these brake pads offer exceptional quality and durability. Choosing these brake pads guarantees a smooth and safe driving experience, making them an excellent investment for maintaining your vehicle's braking system.

Technical Parameters:

Product Dimensions	8.5 X 6.5 X 4.5 Inches
Fmsi	D1497
Heat Resistant	Yes
Silent Design	Chamfer Design
Material	Ceramic
Product Weight	2.5 Pounds
Hardware Included	Yes
Position	Front And Rear
Quantity	4 Pieces
Model	2010 Touareg V6 3.0T

Applications:

ZKZB 3225423 Disc Brake Pad Set is a high-quality product designed for various product application occasions and scenarios. With its place of origin in China, this brake pad set is perfect for both front and rear positions, making it a versatile choice for different vehicles. One of the key features of this brake pad set is its silent design with chamfer design, providing a noise-free and smooth braking experience. The ceramic material used in the construction of these brake pads ensures durability and reliability, making them suitable for long-term use.

Whether you are looking to replace worn-out brake pads with OEM brake pads or upgrade your vehicle's braking system with the best brake pad brand, the ZKZB 3225423 Disc Brake Pad Set is an ideal choice. Its UPC of 123456789012 signifies its authenticity and quality.

These brake pads are essential for maintaining optimal braking performance and ensuring safety on the road. Suitable for a wide range of vehicles, this brake pad set can handle various driving conditions, making it a reliable brake pad tool for everyday use.

Whether you are driving in city traffic, on the highway, or off-road, the ZKZB 3225423 Disc Brake Pad Set provides consistent and reliable braking power. Its high-quality construction and design make it a dependable choice for all your braking needs.

Customization:

Enhance your braking performance with our top-of-the-line ZKZB Disc Brake Pad Set. Designed for optimal performance, these brake pads are the perfect choice for those seeking the best ceramic brake pads on the market.
