Basic Information

- Brand Name: Herito
- Model Number: 01208

Product Specification

- Friction Coefficient: 0.35
- Package Contents: 4 Brake Pads
- Oe Number: 45022-TA0-A00
- Weight: 2.5 Pounds
- Shim Material: Rubber
- Color: Black
- Warranty: 1 Year
- Braking System: TRW
- Highlight: Long lasting honda brake pads,
4 Pieces honda brake pads,
Ceramic honda brake pads

Product Description

Product Description:

The Honda Brake Pad Set is a high-quality product designed to ensure optimal performance and safety for your vehicle's braking system. This front brake pad set is compatible with various Honda models and is a reliable choice for replacing worn-out brake pads.

The OEM Part Number for this brake pad set is 67890, and the OE Number is 45022-TA0-A00. These numbers ensure that the product is a genuine replacement part that meets the manufacturer's specifications for fit and performance.

With a weight of 2.5 pounds, this front brake pad set is lightweight yet durable, providing the perfect balance of performance and longevity. The weight is optimized to maintain the proper braking balance and efficiency of your vehicle.

The braking system for this brake pad set is TRW, a trusted brand known for its high-quality automotive components. TRW braking systems are renowned for their reliability and performance, ensuring that your vehicle stops safely and effectively every time.

Constructed with shim material made of rubber, these front brake pads offer excellent noise reduction and vibration damping. The rubber shim material helps to minimize brake noise and ensure smooth, quiet braking performance, enhancing your driving experience.

When it comes to maintaining your vehicle's braking system, choosing the right front brake pad set is essential. The Honda Brake Pad Set with OEM Part Number 67890 and OE Number 45022-TA0-A00 is a top choice for drivers looking for reliable and high-performance brake pads.

Upgrade your vehicle's braking performance with this front brake pad set that is designed to deliver consistent and reliable stopping power. Whether you're driving in city traffic or cruising on the highway, these brake pads will provide the braking confidence you need to stay safe on the road.

Don't compromise on safety when it comes to your vehicle's braking system. Invest in the Honda Brake Pad Set with OEM Part Number 67890 and OE Number 45022-TA0-A00 to ensure that your front brake pads are up to the task of keeping you and your passengers safe during every journey.

Experience the difference that quality front brake pads can make in your vehicle's braking performance. The Honda Brake Pad Set with TRW braking system and rubber shim material is a reliable choice that will help you maintain optimal braking efficiency and safety on the road.

Features:

Product Name: Honda Brake Pad Set

Oem Part Number: 67890

Color: Black

Quantity: 4 Pieces

Friction Coefficient: 0.35

Material: Ceramic

Technical Parameters:

Package Dimensions	9.5 X 6.5 X 3 Inches
Warranty	1 Year
Factory No	ZK-07027
Package Contents	4 Brake Pads
Color	Black
Oe Number	45022-TA0-A00
Dimensions	5.5 X 5.5 X 2.5 Inches
Quantity	4 Pieces
Braking System	TRW
Shim Material	Rubber

Applications:

The Herito Brake Pad Set model number 01208 is a high-quality product designed for front brake systems, specifically for Honda vehicles. Manufactured in China, this brake pad set is a reliable choice for ensuring safety and performance on the road.

With a package containing 4 brake pads, the Herito 01208 Brake Pad Set is a complete solution for replacing the front brake pads on your Honda vehicle. The brake pads are made with durable rubber shim material, providing excellent stopping power and minimizing noise during braking.

These black brake pads are specifically designed to meet the OE number 45022-TA0-A00, ensuring compatibility and proper fitment on Honda vehicles. Weighing 2.5 pounds, these brake pads are lightweight yet sturdy, offering a perfect balance of performance and durability.

The Herito Brake Pad Set is ideal for various product application occasions and scenarios, including routine maintenance, brake system upgrades, and replacement of worn-out front brake pads. Whether you are a DIY enthusiast or a professional mechanic, these front brake pads are easy to install and offer reliable braking performance.

Whether you are driving in urban traffic or cruising on the highway, having reliable front brake pads is crucial for ensuring your safety and the safety of others on the road. The Herito 01208 Brake Pad Set provides peace of mind knowing that your Honda vehicle is equipped

with top-quality front brake pads that deliver consistent performance and reliability.
