- Oe Number: 45022-TA0-A00
- Package Dimensions: 9.5 X 6.5 X 3 Inches
- Highlight: **Upgrade Braking System Pads,
Upgrade Front Brake Pads,
Front Brake Pads Position**

Product Description

Product Description:

Enhance your vehicle's braking performance with the high-quality Honda Front Brake Pad Set. Crafted from premium ceramic material, these front brake pads ensure reliable and smooth braking every time you hit the road. The Honda Front Brake Pad Set is designed to meet OE specifications, providing a perfect fit for your vehicle. With a package dimension of 9.5 x 6.5 x 3 inches, these front brake pads are compatible with a range of Honda models, offering versatility and convenience. Constructed with durable ceramic material, these front brake pads offer exceptional longevity and performance. The ceramic composition provides excellent heat resistance, reducing brake fade and ensuring consistent braking efficiency even under high temperatures. Equipped with rubber shims, the Honda Front Brake Pad Set minimizes noise and vibration, delivering a quiet and smooth braking experience. The rubber shim material effectively absorbs noise and vibrations, enhancing driving comfort and reducing brake noise. Backed by a 1-year warranty, the Honda Front Brake Pad Set offers peace of mind and assurance of quality. You can drive with confidence knowing that your vehicle's braking system is supported by a reliable and durable set of front brake pads. Upgrade your vehicle's braking performance with the Honda Front Brake Pad Set OE Number 45022-TA0-A00. These front brake pads are engineered to deliver superior stopping power, ensuring safe and reliable braking performance in various driving conditions.

Features:

Braking System: TRW

Material: Ceramic

Weight: 2.5 Pounds

Package Contents: 4 Brake Pads

Position: Front

Technical Parameters:

Dimensions	5.5 X 5.5 X 2.5 Inches
Oem Part Number	67890
Color	Black
Factory No	ZK-07027
Material	Ceramic
Position	Front
Oe Number	45022-TA0-A00
Weight	2.5 Pounds
Warranty	1 Year
Braking System	TRW

Applications:

The Herito 01208 Brake Pad Set is a high-quality product designed for front brake applications in various Honda vehicle models. Manufactured in China, this brake pad set is a reliable replacement option for maintaining optimal braking performance. Constructed with rubber shim material, these front brake pads offer excellent durability and noise reduction during braking. The factory number ZK-07027 ensures the authenticity and quality of the product, providing peace of mind to users. Each package contains 4 brake pads, offering a complete set for the front brakes of your Honda vehicle. The dimensions of 5.5 x 5.5 x 2.5 inches make these front brake pads compatible with a range of Honda models, delivering a precise fit and reliable stopping power. The OE number 45022-TA0-A00 further confirms the compatibility of these front brake pads with specific Honda vehicles, ensuring a seamless installation process. Whether you are performing routine maintenance or addressing brake system issues, the Herito 01208 Brake Pad Set is ideal for various scenarios. From daily commuting to long road trips, these front brake pads provide consistent and dependable braking performance. Whether you are a DIY enthusiast or a professional mechanic, the Herito 01208 Brake Pad Set offers a cost-effective solution for front brake pad replacement on Honda vehicles. Upgrade your braking system with these reliable front brake pads and enjoy enhanced safety and performance on the road.
