Basic Information

- Brand Name: Herito
- Model Number: 01208

Product Specification

- Oem Part Number: 67890
- Shim Material: Rubber
- Package Contents: 4 Brake Pads
- Braking System: TRW
- Quantity: 4 Pieces
- Oe Number: 45022-TA0-A00
- Warranty: 1 Year
- Factory No: ZK-07027
- Highlight: **9.5 X 6.5 X 3 Inches Front Brakes, Improve Driving Experience Front Brakes**

Product Description

Product Description:

The Honda Brake Pad Set is a premium quality product designed to provide exceptional performance and reliability for your vehicle's front brakes. This set of front brake pads is a perfect fit for Honda vehicles and is manufactured to meet OE specifications.

The OE Number for this Honda Brake Pad Set is 45022-TA0-A00, ensuring compatibility with a wide range of Honda models. With dimensions of 5.5 X 5.5 X 2.5 inches, these front brake pads are precision-engineered to deliver optimal braking performance and fitment. One of the key features of these front brake pads is their impressive friction coefficient of 0.35. This high friction coefficient ensures excellent stopping power, making your driving experience safer and more reliable. Whether you're navigating city streets or cruising on the highway, these Honda brake pads will provide consistent and responsive braking performance.

When you choose the Honda Brake Pad Set, you can have peace of mind knowing that your vehicle's front brake system is protected by a 1-year warranty. This warranty reflects the confidence that the manufacturer has in the quality and durability of these front brake pads, giving you added assurance and protection.

Each set of Honda Brake Pads is stamped with the Factory No: ZK-07027, a mark of authenticity and quality assurance. This factory number signifies that these front brake pads have undergone rigorous testing and meet the highest standards of safety and performance. Upgrade your front brake system with the Honda Brake Pad Set and experience the difference in braking performance and reliability.

Whether you're replacing worn-out front brake pads or looking to enhance your vehicle's stopping power, these Honda brake pads are the ideal choice for discerning drivers.

Features:

Product Name: Honda Brake Pad Set

Friction Coefficient: 0.35

Weight: 2.5 Pounds

Factory No: ZK-07027

Color: Black

Material: Ceramic

Technical Parameters:

Dimensions	5.5 X 5.5 X 2.5 Inches
Shim Material	Rubber
Warranty	1 Year
Weight	2.5 Pounds
Package Dimensions	9.5 X 6.5 X 3 Inches
Color	Black
Material	Ceramic
Friction Coefficient	0.35
Factory No	ZK-07027
Package Contents	4 Brake Pads

Applications:

When it comes to ensuring the safety and performance of your vehicle, the Herito Brake Pad Set (Model Number: 01208) is a top choice for Honda vehicles. Manufactured in China, these front brake pads are designed to meet OE specifications, with OE Number 45022-TA0-A00, guaranteeing a perfect fit and reliable performance.

The Herito Brake Pad Set is specially engineered with a friction coefficient of 0.35, providing excellent braking power and consistent stopping performance. Made from high-quality ceramic material, these front brake pads offer durability and reliability, making them ideal for everyday driving as well as more demanding situations.

Whether you are driving in city traffic, on the highway, or tackling challenging road conditions, the Herito Brake Pad Set is designed to deliver smooth and responsive braking for your Honda vehicle. With package dimensions of 9.5 x 6.5 x 3 inches and actual dimensions of 5.5 x 5.5 x 2.5 inches, these front brake pads are easy to install and compatible with a range of Honda models.

From daily commutes to long road trips, the Herito Brake Pad Set provides reliable stopping power and consistent performance, giving you peace of mind on the road. Whether you are replacing worn-out brake pads or upgrading to enhance your vehicle's braking capabilities, these front brake pads are a smart choice for Honda owners.
