Basic Information

- Brand Name: ZKZB
- Model Number: 201562

Product Specification

- Factory No: ZK-11013
- Wear Sensor: Included
- Noise Reduction: Yes
- Interchange Part Number: 04465-35290, D1210, ACT1210
- Model: Corolla
- Heat Resistance: Yes
- Position: Front
- Package Quantity: 1 Set
- Highlight: **Front Position Toyota Brake Pad Set,
4 Pieces Toyota Brake Pad Set,
0.5 Inches Toyota Brake Pad Set**

Product Description

Product Description:

Designed specifically for Toyota vehicles, these brake pads are the perfect choice for drivers who prioritize safety and performance on the road. With a Noise Reduction feature, these brake pads ensure a smooth and quiet braking experience, allowing you to drive with peace of mind.

The OE Number for these brake pads is 04465-AZ114, indicating their compatibility and authenticity as genuine Toyota parts. As they are designed for the Front position of your vehicle, these brake pads offer precise and efficient braking power exactly where you need it most. Each set of Toyota Brake Pads includes 4 pieces, providing you with all the necessary components to replace the brake pads on both sides of the front axle. This quantity ensures that you have everything you need for a complete and thorough brake pad replacement. Despite their durability and reliability, these brake pads are surprisingly lightweight, weighing only 2.5 pounds. This lightweight design helps reduce unsprung weight, contributing to improved handling and overall performance of your Toyota vehicle.

When it comes to choosing good brake pads for your Toyota, you can trust the quality and performance of the Toyota Brake Pad Set. These brake pads are engineered to meet the high standards set by Toyota, ensuring optimal braking performance, durability, and safety for your vehicle.

Whether you are driving in stop-and-go traffic or cruising on the open road, having reliable brake pads is essential for your safety and the safety of others on the road. With the Toyota Brake Pad Set, you can drive confidently knowing that your vehicle's braking system is equipped with top-of-the-line brake pads specifically designed for Toyota vehicles.

Don't compromise on safety and performance when it comes to your vehicle's brakes. Invest in the best brake pads for your Toyota and experience the difference that quality brake pads can make. Trust in the OE Number 04465-AZ114, the Front position compatibility, the Noise Reduction feature, and the lightweight design of the Toyota Brake Pad Set to deliver exceptional braking performance every time you hit the brakes.

Upgrade your braking system with the best brake pads on the market. Choose the Toyota Brake Pad Set for unparalleled quality, reliability, and performance. With these brake pads, you can enjoy smooth, quiet, and efficient braking every time, enhancing both your driving experience and your peace of mind on the road.

Applications:

ZKZB 201562 Brake Pad Set is a high-quality product designed for Toyota vehicles, manufactured in China. These ceramic brake pads are engineered to provide optimal performance and safety while driving, making them a reliable choice for various applications.

One of the standout features of this brake pad set is its noise reduction capability, ensuring a quiet and smooth braking experience. The included wear sensor enhances the overall effectiveness of the brake pads, alerting the driver when it's time for a replacement.

With OE Number 04465-AZ114 and Factory No ZK-11013, these ZKZB brake pads are specifically crafted for Toyota vehicles, guaranteeing a perfect fit and compatibility. Whether you own a Toyota sedan, SUV, or truck, these brake pads are the ideal choice for maintaining excellent braking performance.

The ZKZB 201562 Brake Pad Set is suitable for various occasions and scenarios where good brake pads are essential. Whether you are commuting in the city, traveling on highways, or navigating through challenging terrains, these brake pads deliver consistent and reliable braking power.

Whether you are a daily commuter, a family driver, or a car enthusiast, these ceramic brake pads offer the durability and performance needed for a safe driving experience. The ZKZB 201562 Brake Pad Set is recommended for individuals looking for good brake pads that provide both quality and value.
