Basic Information

- Brand Name: ZKZB
- Model Number: 201562

Product Specification

- Package Quantity: 1 Set
- Oe Number: 04465-AZ114
- Position: Front
- Weight: 2.5 Pounds
- Material: Ceramic
- Interchange Part Number: 04465-35290, D1210, ACT1210
- Quantity: 4 Pieces
- Noise Reduction: Yes
- Highlight: **Toyota Vehicles Rear Brake Pad ,
Heat Resistance Rear Brake Pad ,
Long Lasting Performance Rear Brake Pad**

Product Description:

If you are looking for high-quality brake pads for your Toyota vehicle, the Toyota Brake Pad Set is an excellent choice that ensures reliable and efficient braking performance. This brake pad set includes 4 pieces, specifically designed for the front position of your Toyota vehicle.

The brake pads are made from ceramic material, known for its excellent braking capabilities and durability. Ceramic brake pads are a popular choice among drivers due to their superior performance, minimal noise, and reduced dust compared to traditional brake pad materials.

With the OE number 04465-AZ114, these brake pads are designed to meet the exact specifications and standards of Toyota vehicles, ensuring a perfect fit and optimal performance. Made in Japan, a country known for its high-quality automotive products and precision engineering, you can trust the reliability and performance of these brake pads.

When it comes to safety and performance, choosing the right brake pads for your Toyota vehicle is crucial. Good brake pads are essential components that play a vital role in ensuring your vehicle's braking system operates effectively and reliably. The Toyota Brake Pad Set offers exceptional quality and performance, providing you with peace of mind when it comes to your vehicle's braking capabilities.

Upgrade your Toyota vehicle with these brake pads for Toyota that are designed to deliver consistent and reliable braking performance. Whether you are driving in city traffic or cruising on the highway, having good brake pads is essential for safe and smooth braking experiences.

Invest in the Toyota Brake Pad Set for your vehicle and experience the benefits of high-quality ceramic brake pads that are designed to meet the demanding requirements of Toyota vehicles. With their excellent braking performance, durability, and precise fitment, these brake pads are a reliable choice for drivers looking for top-notch brake pads for their Toyota vehicles.

Ensure your vehicle's safety and performance with the Toyota Brake Pad Set, offering you the peace of mind that comes with using high-quality brake pads specifically designed for Toyota vehicles. With their superior materials, craftsmanship, and country of origin, these brake pads are a dependable choice for drivers who value safety and reliability.

Applications:

ZKZB Brake Pad Set, model number 201562, is a high-quality product designed specifically for Toyota vehicles, such as the Corolla. Manufactured in China, this brake pad set is made of ceramic material, ensuring reliable and durable performance.

The ceramic brake pads are known for their excellent stopping power, quiet operation, and long lifespan. With a friction material thickness of 0.5 inches, these brake pads provide consistent braking performance and enhanced safety on the road.

This package includes 1 set of brake pads, suitable for the front position of your Toyota vehicle. Whether you are driving in urban traffic, on the highway, or in challenging road conditions, these ZKZB brake pads will deliver the braking performance you need.

Equipping your Toyota Corolla with ZKZB Brake Pad Set guarantees a smooth and responsive braking experience, giving you peace of mind during your daily commute or long-distance travels. The precision engineering of these brake pads ensures a perfect fit and compatibility with your vehicle's braking system.

Whether you are replacing worn-out brake pads, upgrading to ceramic brake pads for improved performance, or simply performing routine maintenance on your Toyota vehicle, the ZKZB Brake Pad Set is the ideal choice. Trust in the quality, reliability, and performance of ZKZB brake pads for your Toyota vehicle.
