Product Description

Product Description:

The Honda Brake Pad Set is a high-quality product designed specifically for Honda vehicles, providing excellent performance and durability. This brake pad set is an essential component for maintaining the safety and efficiency of your vehicle's braking system. When it comes to replacing your Honda brake pads, it is important to choose a reliable and trusted brand like this one. The Other Part Number for this brake pad set is ABC123, ensuring compatibility and proper fitment for your Honda vehicle.

One of the key features of these brake pads is their Friction Coefficient of 0.35, which is optimized for smooth and effective braking performance. This friction coefficient ensures that your vehicle's front brakes deliver consistent stopping power, enhancing safety on the road.

The dimensions of the Honda Brake Pad Set are 10 X 5 X 3 inches, making them suitable for a wide range of Honda vehicle models. Whether you drive a sedan, SUV, or truck, these brake pads are designed to meet the specific requirements of your vehicle's braking system.

Each package of the Honda Brake Pad Set contains 4 brake pads, providing you with a complete set to replace the front brakes on your vehicle. With a quantity of 4 pieces included in the package, you can easily install these brake pads on both the driver's side and passenger's side front brakes.

When it comes to maintaining your vehicle's braking system, investing in high-quality brake pads is essential. The Honda Brake Pad Set offers reliable performance, durability, and compatibility with Honda vehicles, ensuring that your front brakes operate at their best. Upgrade your vehicle's braking system with the Honda Brake Pad Set and experience improved braking performance, enhanced safety, and peace of mind on the road. Trust in the quality and reliability of these brake pads to keep your Honda vehicle running smoothly and safely.

Technical Parameters:

Dimensions	10 X 5 X 3 Inches
Factory No	ZK-07004
Friction Coefficient	0.35
Interchange Part Number	67890
Thickness	0.5 Inches
Fitment Type	Direct Replacement
Package Dimensions	9.5 X 6.5 X 3 Inches
Country Of Origin	Japan
Other Part Number	ABC123
Package Contents	4 Brake Pads

Applications:

The Herito Brake Pad Set model number 01208 is a high-quality product designed for various Honda vehicles. Made from ceramic material, these front brake pads offer exceptional performance and durability, making them a reliable choice for your braking system. Whether you drive a Honda Accord, Civic, CR-V, or any other model, the Herito Brake Pad Set is a perfect fit for direct replacement. With a quantity of 4 pieces in the package, you can easily replace all four front brake pads for a complete upgrade of your braking system. These front brake pads are manufactured in China, ensuring both quality and affordability. The Herito Brake Pad Set is designed to meet the highest standards of safety and performance, giving you peace of mind while driving your Honda vehicle.

The Herito Brake Pad Set with model number 01208 is also known by the part number ABC123, making it easy to identify and locate the right product for your Honda vehicle. Whether you are a professional mechanic or a DIY enthusiast, these front brake pads are user-friendly and easy to install.

Whether you are driving in city traffic, on the highway, or off-road, the Herito Brake Pad Set provides reliable and consistent braking performance. With its ceramic material construction, these front brake pads offer excellent heat resistance and friction stability, ensuring a smooth and safe driving experience in various weather conditions.

Customization:

Customize your front brake pads with our Product Customization Services for the Herito Brake Pad Set (Model Number: 01208). Made in China, this set includes 4 pieces of brake pads (Factory No: ZK-07004) with a thickness of 0.5 inches. Each package contains 4 brake pads and comes with a wear sensor included, ensuring optimal performance for your front brakes.

Support and Services:

The Honda Brake Pad Set product comes with comprehensive Product Technical Support and Services to ensure optimal performance and safety. Our team of experts is available to assist you with any questions or issues you may have regarding the brake pad set. Whether you need installation guidance, troubleshooting assistance, or maintenance tips, we are here to help.
