- Highlight: **Honda Front Brake Pads,
Vehicle's Braking Needs Front Brake Pads**

Product Description

Product Description:

Are you in need of reliable and high-quality brake pads for your Honda vehicle? Look no further than the Honda Brake Pad Set, designed to provide exceptional performance and durability for your front brakes.

These brake pads are specifically crafted for Honda vehicles, ensuring a perfect fit and optimal performance. With a thickness of 0.5 inches, these brake pads offer excellent stopping power and reliability, giving you peace of mind on the road.

The fitment type of these brake pads is direct replacement, making installation quick and hassle-free. You can easily replace your worn-out brake pads with these ceramic pads and experience improved braking efficiency.

Made from premium ceramic material, these brake pads are designed to withstand high temperatures and heavy use, ensuring long-lasting performance and reduced brake fade. The ceramic construction also helps minimize noise and vibrations, providing you with a smooth and quiet braking experience.

This Honda Brake Pad Set includes 4 pieces, giving you all the brake pads you need for a complete front brake replacement. Whether you are performing maintenance on your vehicle or upgrading your braking system, these brake pads are the perfect choice.

The package dimensions of these brake pads are 9.5 x 6.5 x 3 inches, making them easy to store and transport. Whether you are a DIY enthusiast or a professional mechanic, these brake pads offer convenience and reliability for your Honda vehicle.

Upgrade your braking system with the Honda Brake Pad Set and enjoy enhanced performance, durability, and safety on the road. Trust in the quality and precision engineering of these brake pads to deliver exceptional braking power for your Honda vehicle.

Technical Parameters:

Interchange Part Number	67890

Quantity	4 Pieces
Factory No	ZK-07004
Dimensions	10 X 5 X 3 Inches
Package Content	4 Brake Pads
Wear Sensor	Included
Compatibility	Honda Vehicles
Material	Ceramic
Package Dimensions	9.5 X 6.5 X 3 Inches

Applications:

Herito Brake Pad Set 01208 is a high-quality product designed for various front brake applications. Made in China, this brake pad set is a reliable choice for individuals looking to replace their front brake pads with a direct fitment replacement.

One of the key features of this brake pad set is the included wear sensor, which provides an added layer of safety by alerting drivers when the brake pads need replacement. With an interchange part number of 67890, Herito Brake Pad Set 01208 is compatible with a wide range of vehicles that require front brake pad replacements.

The friction coefficient of 0.35 ensures smooth and efficient braking performance, making it suitable for everyday driving as well as more demanding situations. The 0.5-inch thickness of the brake pads provides durability and longevity, giving drivers peace of mind knowing that their front brake system is well-equipped to handle various road conditions.

Whether you are driving in stop-and-go city traffic or cruising on the highway, Herito Brake Pad Set 01208 offers consistent and reliable braking power for your front brake system. The direct replacement fitment type makes installation hassle-free, allowing you to quickly and easily upgrade your front brake pads for enhanced safety and performance.

From daily commutes to weekend road trips, Herito Brake Pad Set 01208 is the ideal choice for drivers who prioritize safety, reliability, and performance in their front brake system. Trust in the quality and craftsmanship of Herito to keep you and your vehicle safe on the road.
