0.5 Inches Honda Brake Pad Set ,
Honda car Brake Pad Set**

Product Description

Product Description:

The Honda Brake Pad Set is a high-quality product designed to provide excellent performance for your vehicle's front brakes. This brake pad set is essential for maintaining the safety and efficiency of your front brakes, ensuring a smooth and reliable driving experience. Featuring a wear sensor, this brake pad set includes advanced technology that alerts you when it's time to replace the pads, preventing potential damage to your front brakes. The wear sensor is a key feature that enhances the longevity and effectiveness of the brake pads, giving you peace of mind while driving. Originating from Japan, this Honda Brake Pad Set is crafted with precision and expertise to meet the highest standards of quality and reliability. Made from ceramic material, these front brake pads offer superior performance and durability, delivering consistent braking power and reducing noise for a quieter ride. The package dimensions of this brake pad set are 9.5 x 6.5 x 3 inches, ensuring a perfect fit for your vehicle's front brakes. With the included wear sensor and ceramic material construction, this brake pad set provides a complete solution for upgrading and maintaining your front brakes, enhancing safety and performance on the road. In addition to its primary part number, this Honda Brake Pad Set also includes the other part number ABC123, offering compatibility and versatility for various vehicle models. Whether you're replacing worn-out front brake pads or upgrading to a more reliable braking system, this brake pad set is the ideal choice for drivers seeking optimal performance and safety.

Technical Parameters:

Thickness	0.5 Inches
Friction Coefficient	0.35
Material	Ceramic
Package Contents	4 Brake Pads
Wear Sensor	Included
Fitment Type	Direct Replacement
Compatibility	Honda Vehicles
Factory No	ZK-07004

Applications:

The Herito 01208 Honda Brake Pad Set is a high-quality product designed for front brake applications in Honda vehicles. With a place of origin in China, this brake pad set offers a direct replacement fitment type, making it easy to install and compatible with various Honda models. The interchange part number 67890 ensures the perfect fit for your vehicle, while the thickness of 0.5 inches provides durability and reliability.

Whether you are looking to replace worn-out brake pads or upgrade to a higher performance option, the Herito 01208 Honda Brake Pad Set is an ideal choice. The friction coefficient of 0.35 ensures smooth and efficient braking, giving you peace of mind on the road.

These brake pads are suitable for a wide range of Honda vehicles, including sedans, SUVs, and trucks. They are specifically designed for front brake applications, providing excellent stopping power and consistent performance. The Herito 01208 Honda Brake Pad Set is a versatile product that caters to the diverse needs of Honda drivers.

Whether you are commuting in the city, driving on the highway, or tackling off-road adventures, having reliable brake pads is essential for your safety. The Herito 01208 Honda Brake Pad Set offers the perfect combination of quality, performance, and value, making it a smart choice for all your braking needs.

Upgrade your Honda vehicle with the Herito 01208 Honda Brake Pad Set and experience improved braking performance and reliability. Trust in the brand name Herito and enjoy the peace of mind that comes with using a high-quality product that meets your specific requirements.
