Product Description

Product Description:

Are you in need of high-quality front brake pads for your Honda vehicle? Look no further than the Honda Brake Pad Set, designed to deliver exceptional performance and safety on the road. This brake pad set is a perfect fit for Honda vehicles, offering reliable stopping power and durability.

The Honda Brake Pad Set comes with an interchange part number of 67890, ensuring compatibility and ease of installation. With the wear sensor included in this set, you can stay informed about the condition of your brake pads and replace them in a timely manner to maintain optimal braking performance.

When you purchase the Honda Brake Pad Set, you will receive a package containing 4 brake pads in total. This quantity of 4 pieces is ideal for replacing the front brake pads on your Honda vehicle, ensuring consistent and reliable braking power.

These front brake pads are made from high-quality ceramic material, known for its excellent performance characteristics. Ceramic brake pads are preferred for their durability, low noise levels, and consistent braking performance, making them an ideal choice for Honda vehicles.

Upgrade your Honda vehicle with the Honda Brake Pad Set and experience the benefits of superior braking performance and reliability. Trust in the quality and precision engineering of these front brake pads to keep you safe on the road.

Technical Parameters:

Package Content	4 Brake Pads
Interchange Part Number	67890
Quantity	4 Pieces
Thickness	0.5 Inches
Package Dimensions	9.5 X 6.5 X 3 Inches
Material	Ceramic
Dimensions	10 X 5 X 3 Inches
Other Part Number	ABC123
Fitment Type	Direct Replacement

Applications:

When it comes to maintaining the braking system of your Honda vehicle, the Herito Brake Pad Set (Model Number: 01208) is a reliable choice to consider. Made in China, these brake pads are designed to meet the specific needs of Honda models, ensuring optimal performance and safety on the road.

The dimensions of the Herito Brake Pad Set are 10 X 5 X 3 inches, making it a perfect fit for Honda vehicles that require front brake pad replacements. Each package contains 4 brake pads, providing a complete set for a thorough brake system upgrade.

One of the key features of the Herito Brake Pad Set is the included wear sensor, which alerts you when it's time to replace the brake pads, ensuring timely maintenance and preventing potential issues on the road. The interchange part number for these brake pads is 67890, while the other part number is ABC123, making it easy to identify the compatibility with your Honda vehicle.

Whether you are driving in urban areas with frequent stop-and-go traffic or hitting the highways for long-distance journeys, the Herito Brake Pad Set offers reliable braking performance in various driving conditions. From everyday commuting to occasional road trips, these brake pads provide the necessary stopping power to keep you safe behind the wheel.

Upgrade your Honda's braking system with the Herito Brake Pad Set and enjoy peace of mind knowing that your vehicle is equipped with quality front brake pads that deliver consistent performance and durability. Trust Herito for your brake pad needs and experience the difference in braking efficiency and safety on the road.

Customization:

Customize your Honda vehicle with the premium Herito Brake Pad Set! The model number 01208 ensures a perfect fit for your front brakes. Made in China, this set includes 4 brake pads to keep your vehicle running smoothly. With dimensions of 10 X 5 X 3 inches, these front brake pads are designed for optimal performance. The interchange part number 67890 guarantees compatibility with Honda vehicles. Featuring a friction coefficient of 0.35, these Honda brake pads provide reliable stopping power.

Support and Services:

The Honda Brake Pad Set product comes with comprehensive product technical support and services to ensure optimal performance and safety. Our team of experts is available to assist with any questions or issues regarding the installation, maintenance, or compatibility of the brake pad set. Additionally, we offer product warranty services to provide peace of mind to our customers. For any technical support inquiries or service needs, please reach out to our dedicated support team.
