Product Description

Product Description:

The Volkswagen Brake Pad Set is a high-quality product designed to provide reliable braking performance for your vehicle. This VW Replacement Brake Pad Set is specifically engineered to meet the standards and specifications set by Volkswagen, ensuring a perfect fit and optimal performance. With a height of 66mm, this brake pad set is suitable for various Volkswagen models.

With the factory number ZK-01006, this VW Brake Pad Kit is a genuine OEM replacement part, guaranteeing compatibility and quality. The inclusion of shims with this brake pad set further enhances its performance by reducing noise and vibration during braking, resulting in a smoother and quieter driving experience.

Designed as a direct replacement for your vehicle's original brake pads, this VW Replacement Brake Pad Set offers the perfect balance of performance and durability. The absence of slotted features on these brake pads ensures consistent and reliable braking performance under various driving conditions.

When it comes to maintaining the safety and performance of your Volkswagen, choosing the right brake pads is crucial. The Volkswagen Brake Pad Set is a reliable choice that delivers consistent braking performance, whether you're cruising on the highway or navigating city streets. With its OEM specifications and superior quality construction, this brake pad set provides peace of mind knowing that your vehicle's braking system is in top condition.

Upgrade your vehicle's braking performance with the Volkswagen Brake Pad Set. With its precision engineering and high-quality materials, this VW Replacement Brake Pad Set offers exceptional stopping power and durability. Whether you're driving in stop-and-go traffic or cruising on the open road, these brake pads deliver reliable and consistent braking performance.

Invest in the safety and performance of your Volkswagen with the Volkswagen Brake Pad Set. Engineered to meet the exacting standards of Volkswagen vehicles, this VW Brake Pad Kit provides a seamless fit and reliable performance. With shims included for reduced noise and vibration, these brake pads offer a smooth and quiet braking experience.

Ensure your Volkswagen maintains its optimal braking performance with the Volkswagen Brake Pad Set. As a trusted OEM replacement part, this VW Replacement Brake Pad Set is designed to deliver the performance and reliability you expect from Volkswagen. With a height of 66mm and factory number ZK-01006, this brake pad set is the perfect choice for your vehicle.
