Product Description

Product Description:

Introducing the Volkswagen Brake Pad Set, a top-quality product designed to provide optimal performance and safety for your VW vehicle. This VW Replacement Brake Pad Set includes 4 pieces, ensuring that you have all the brake pads you need for a complete replacement. Whether you are looking to upgrade your braking system or simply need to replace worn-out brake pads, this Volkswagen Genuine Brake Pad Set is the perfect solution.

The Volkswagen Brake Pad Set is designed for precision and reliability, meeting the high standards set by Volkswagen. Each brake pad is crafted with care to ensure a perfect fit and maximum braking efficiency. With the factory number ZK-01006, you can trust that these brake pads are genuine VW parts, engineered to deliver the performance and durability you expect from your Volkswagen vehicle. One key feature of this VW Brake Pad Kit is the inclusion of shims. These shims help to reduce noise and vibrations, providing a smoother and quieter braking experience. By including shims with the brake pads, Volkswagen has taken extra steps to enhance your driving comfort and satisfaction.

At 2.5kg in weight, the Volkswagen Brake Pad Set offers a balanced combination of durability and performance. The weight of the brake pads is optimized to ensure proper braking function without adding unnecessary strain to your vehicle's braking system. With the right weight and design, these brake pads are engineered to deliver consistent and reliable braking power.

While the Volkswagen Brake Pad Set does not feature slotted design, it excels in its simplicity and effectiveness. The smooth brake pad surface ensures even contact with the rotor, promoting consistent braking performance and longevity. With this VW Replacement Brake Pad Set, you can trust that your vehicle will stop smoothly and safely every time.

Upgrade your VW vehicle with the Volkswagen Brake Pad Set today and experience the difference in braking performance. Trust in the genuine quality and reliability of Volkswagen parts to keep your vehicle running at its best. Order your VW Brake Pad Kit now and enjoy peace of mind knowing that you are using top-quality brake pads designed specifically for your Volkswagen.
