Basic Information

- Brand Name: ZKZB
- Model Number: ZK-81002

Product Specification

- Oem: 55110-70A00
- Product Dimensions: 8.5 X 6.5 X 4.5 Inches
- Heat Resistant: Yes
- Type: Parking Brake
- Warranty: 1 Year
- Position: Front And Rear
- Oe Replacement: Yes
- Wear Sensor Included: Yes
- Highlight: **Front Rear Disc Pad , Ceramic Disc Pad ,
8.5 X 5.5 X 2.5 Inches disc brake pads ceramic**

Product Description

Product Description:

Experience superior braking performance with the Disc Brake Pad Set featuring ceramic brake pads designed to provide smooth and reliable stopping power. This set includes 4 pieces of high-quality disc brake pads, ensuring that your vehicle's braking system is well-equipped for optimal performance.

The ceramic brake pads in this set are engineered to offer enhanced durability and longevity, making them an excellent choice for daily driving and demanding conditions. With the inclusion of a wear sensor, you can easily monitor the condition of the brake pads and ensure timely replacements when needed, enhancing safety and efficiency on the road.

Backed by a 1-year warranty, you can have peace of mind knowing that this Disc Brake Pad Set is designed to meet high-quality standards and provide reliable performance. The factory number ZK-06004 signifies the precision and craftsmanship that go into manufacturing these disc brake pads, offering a perfect fit and compatibility with your vehicle.

Weighing just 2.5 pounds, these ceramic brake pads strike the ideal balance between lightweight design and robust construction, contributing to improved handling and braking responsiveness. Whether you're navigating city streets or tackling challenging terrains, these disc brake pads deliver consistent performance and braking efficiency.

Upgrade your vehicle's braking system with the Disc Brake Pad Set and experience the benefits of premium ceramic brake pads that offer superior performance and longevity. Trust in the quality and reliability of this set to provide smooth and quiet braking operation, allowing you to drive with confidence and control in various driving conditions.

Features:

Product Name: Disc Brake Pad Set

Dimensions: 8.5 X 5.5 X 2.5 Inches

Weight: 2.5 Pounds

Factory No: ZK-06004

Warranty: 1 Year

Size: Standard

Technical Parameters:

Warranty	1 Year
Position	Front And Rear
Oe Replacement	Yes
Silent Design	Chamfer Design
Weight	2.5 Pounds
Quantity	4 Pieces
Product Dimensions	8.5 X 6.5 X 4.5 Inches
Dimensions	8.5 X 5.5 X 2.5 Inches
Factory No	ZK-06004
Oem	55110-70A00

Applications:

ZKZB Disc Brake Pad Set (Model: ZK-81002) is a high-quality product designed for various product application occasions and scenarios. With its origin in China, this parking brake type brake pad set is a reliable choice for OE replacement, with OEM number 55110-70A00. The dimensions of the ZKZB Disc Brake Pad Set are 8.5 x 5.5 x 2.5 inches, ensuring a perfect fit for compatible vehicles. The actual product dimensions are 8.5 x 6.5 x 4.5 inches, providing precise coverage and performance.

One of the key attributes of the ZKZB Disc Brake Pad Set is its composition of good ceramic brake pads. These pads offer excellent durability, heat resistance, and braking performance, making them ideal for various driving conditions.

Product Application Occasions:

- Daily Commuting: The ZKZB Disc Brake Pad Set is perfect for everyday driving, offering smooth and reliable braking performance for city commuting and errands.
- Road Trips: Whether you're traveling long distances or exploring new destinations, these brake pads provide consistent stopping power for a safe and enjoyable road trip experience.
- Performance Driving: If you enjoy spirited driving or occasional track days, the ZKZB Disc Brake Pad Set can handle the higher demands of performance driving with precision and control.

Product Application Scenarios:

- Urban Traffic: In stop-and-go traffic, the ZKZB Disc Brake Pad Set excels in providing responsive braking and reduced noise levels, enhancing driving comfort in urban environments.
- Hilly Terrain: When navigating steep inclines and descents, these brake pads offer reliable performance and fade resistance, ensuring safety and control on challenging terrains.
- Towing and Hauling: For vehicles used for towing trailers or carrying heavy loads, the ZKZB Disc Brake Pad Set delivers robust braking power and stability under increased weight.

Overall, the ZKZB Disc Brake Pad Set is a versatile brake pad tool suitable for a wide range of driving scenarios and conditions. Its good ceramic brake pads, combined with its OE replacement compatibility, make it a dependable choice for vehicle owners seeking reliable braking performance.
