

Oem 55110-70A00 Ceramic Front Brake Pads Crucial Component Of Vehicles Braking System

Our Product Introduction

for more products please visit us on brakepadsset.com

Basic Information

- Brand Name: ZKZB
- Model Number: ZK-81002

Product Specification

- Product Weight: 2.5 Pounds
- Factory No: ZK-06004
- Weight: 2.5 Pounds
- Warranty: 1 Year
- Oe Replacement: Yes
- Silent Design: Chamfer Design
- Dimensions: 8.5 X 5.5 X 2.5 Inches
- Oem: 55110-70A00
- Highlight: **Crucial Component Ceramic Front Brake Pads,
Oem 55110-70A00 disc brake pads ceramic**

Product Description

Product Description:

The Disc Brake Pad Set is a crucial component for ensuring the safety and performance of your vehicle's braking system. Designed for use in both the front and rear positions, this brake pad set is a versatile solution suitable for a wide range of vehicle makes and models. Weighing in at just 2.5 pounds, these brake pads are lightweight yet durable, offering a perfect balance of performance and longevity. Made from high-quality ceramic materials, these brake pads provide excellent stopping power and heat dissipation, making them one of the best ceramic brake pads available in the market.

As an OE replacement part, the Disc Brake Pad Set is designed to meet or exceed the original equipment specifications of your vehicle's manufacturer. This ensures a perfect fit and seamless integration with your vehicle's braking system, providing peace of mind and reliable performance.

Measuring at 8.5 x 6.5 x 4.5 inches, these ceramic brake pads are precision-engineered to deliver consistent and reliable performance under various driving conditions. Whether you are commuting in the city or cruising on the highway, these brake pads are designed to deliver optimal braking performance.

When it comes to quality and reliability, these ceramic brake pads stand out as a top choice for drivers looking for good ceramic brake pads that offer superior performance and durability. The ceramic construction of these brake pads helps reduce noise, vibration, and harshness, providing a smooth and quiet braking experience.

Backed by a 1-year warranty, the Disc Brake Pad Set gives you added assurance and peace of mind. In the rare event of any manufacturing defects or premature wear, you can rely on the warranty to provide you with the necessary support and coverage.

Upgrade your vehicle's braking system with the Disc Brake Pad Set and experience the difference that high-quality ceramic brake pads can make. Enjoy enhanced stopping power, improved brake feel, and superior reliability with these top-notch brake pads that are designed to deliver exceptional performance and longevity.

Features:

Product Name: Disc Brake Pad Set

OEM: 55110-70A00

Warranty: 1 Year

Weight: 2.5 Pounds

Type: Parking Brake

Wear Sensor Included: Yes

Technical Parameters:

Quantity	4 Pieces
Factory No	ZK-06004
Type	Parking Brake
Size	Standard
Product Dimensions	8.5 X 6.5 X 4.5 Inches
Position	Front And Rear
Oem	55110-70A00
Warranty	1 Year
Product Weight	2.5 Pounds
Wear Sensor Included	Yes

Applications:

These OEM brake pads from ZKZB are suitable for a variety of application occasions and scenarios. Whether you are a professional mechanic working on a client's vehicle or a car enthusiast performing a DIY brake pad replacement, these brake pads are the perfect choice. Their compatibility with different vehicle models makes them versatile and convenient for various automotive repair and maintenance tasks.

When it comes to product performance, ZKZB disc brake pads offer exceptional braking power and durability. The high-quality materials used in their construction ensure reliable and consistent performance, providing safety and peace of mind to drivers. Additionally, the 1-year warranty offered with these brake pads reflects the manufacturer's confidence in their product's quality and longevity.

Whether you are driving in urban traffic, cruising on the highway, or navigating challenging terrains, having reliable brake pads is crucial for your vehicle's safety. ZKZB disc brake pad set (Model Number: ZK-81002) provides the assurance and performance you need for a smooth and secure driving experience. Invest in these OEM brake pads to enhance your vehicle's braking system and enjoy peace of mind on the road.

Customization:

Customize your OEM brake pads with the ZKZB Disc Brake Pad Set! Model Number: ZK-81002

Originating from China, these are the best ceramic brake pads in the market, weighing 2.5 pounds. Get the assurance of OE Replacement and added safety with the wear sensor included.
Designed for performance and durability, Factory No: ZK-06004, OEM: 55110-70A00.
