Basic Information

- Brand Name: ZKZB
- Model Number: 201562

Product Specification

- Part Number: 04465-AZ106
- Country Of Origin: Japan
- Warranty: 1 Year
- Fmsi: D1293/D1222
- Wear Sensor: Included
- Material: Ceramic
- Dimensions: 5.5 X 5.5 X 2 Inches
- Heat Resistance: Yes
- Highlight: **Heat Resistance Toyota Brake Pad Set,
SUVs disc brake pads ceramic**

Product Description

Product Description:

When it comes to ensuring the safety and performance of your Toyota vehicle, the Toyota Brake Pad Set with part number 04465-AZ106 is the ideal choice. These ceramic brake pads are designed to deliver top-notch quality and reliability, making them a perfect fit for Toyota vehicles.

One of the standout features of these brake pads is their noise reduction capability. Say goodbye to annoying brake squeals and enjoy a quiet and smooth driving experience with these noise-reducing brake pads.

Measuring at 5.5 X 5.5 X 2 inches, these brake pads are designed to perfectly fit Toyota vehicles, ensuring a precise and secure installation. The dimensions are carefully crafted to meet the exact specifications of Toyota models, providing a seamless replacement process.

In terms of interchangeability, the Toyota Brake Pad Set with part number 04465-AZ106 is compatible with interchange part numbers 04465-35290, D1210, and ACT1210. This interchangeability ensures versatility and ease of use, allowing you to install these brake pads with confidence and peace of mind.

Whether you drive a sedan, SUV, or truck, these brake pads are engineered to meet the high standards set by Toyota. You can trust in the quality and performance of these ceramic brake pads to deliver reliable and consistent braking power for your Toyota vehicle.

Upgrade your braking system with the Toyota Brake Pad Set and experience the difference that premium quality brake pads can make. Say goodbye to inferior brake pads and choose the reliability and performance of brake pads specifically designed for Toyota vehicles.

Features:

Product Name: Toyota Brake Pad Set

Interchange Part Number: 04465-35290, D1210, ACT1210

Fmsi: D1293/D1222

Braking System: N

Noise Reduction: Yes

Warranty: 1 Year

Technical Parameters:

Wear Sensor	Included
Compatibility	Toyota Vehicles
Dimensions	5.5 X 5.5 X 2 Inches
Quantity	4 Pieces
Braking System	N
Fmsi	D1293/D1222
Heat Resistance	Yes
Weight	2.5 Pounds
Material	Ceramic
Interchange Part Number	04465-35290, D1210, ACT1210

Applications:

ZKZB Brake Pad Set Model Number 201562 is a high-quality product designed for various vehicles, providing exceptional performance and safety on the road. Made in China, these ceramic brake pads are known for their durability and reliability.

The dimensions of the ZKZB Brake Pad Set are 5.5 x 5.5 x 2 inches, ensuring a perfect fit for a wide range of car models. The noise reduction feature of these brake pads ensures a quiet and smooth driving experience, enhancing overall driving comfort.

Each package of ZKZB Brake Pad Set includes brake pads, shims, and hardware, making it a complete solution for your brake maintenance needs. The ceramic material used in these brake pads provides excellent heat dissipation and braking performance, making them ideal for rear brake pad replacement.

With a 1-year warranty, you can trust the quality and durability of the ZKZB Brake Pad Set for long-lasting performance. These brake pads are designed to meet the highest standards of safety and performance, giving you peace of mind while driving.

Whether you are driving in city traffic or on the highway, the ZKZB Brake Pad Set Model Number 201562 is suitable for various driving conditions. Made in Japan, these brake pads reflect the precision and quality associated with Japanese automotive products.
