Product Specification

- Product Placement: Front And Rear
- Product Type: Brake Pads
- Warranty: 1 Year
- Product Dimensions: 6 X 6 X 0.67 Inches
- Package Quantity: 1 Set (4 Pieces)
- Upc: 123456789012
- Shims Included: Yes
- Quantity: 4 Pieces

Product Description

Product Description:

The Disc Brake Pad Set is an essential component for maintaining the optimal performance of your vehicle's braking system. This package includes 1 set of brake pads, which consists of 4 pieces in total. Suitable for both front and rear placement, these brake pads are designed to provide reliable and consistent braking power.

As a crucial part of your vehicle's braking system, it is important to choose high-quality disc brake pads to ensure safety and performance. This particular product is a top choice for many drivers due to its excellent quality and durability. When it comes to brake pads, investing in the best brake pad brand is essential to guaranteeing your safety on the road.

The material used in these disc brake pads is of the highest quality, making them a standout choice among other options available in the market. The best brake pad material is crucial for ensuring optimal braking performance, durability, and heat resistance. With these brake pads, you can have peace of mind knowing that your vehicle's braking system is equipped with top-notch components.

With a package quantity of 1 set (4 pieces), you will have an ample supply of brake pads to replace both the front and rear pads of your vehicle. This comprehensive set ensures that you have all the necessary components to maintain your braking system effectively.

When it comes to the warranty, this Disc Brake Pad Set comes with a 1-year warranty, providing you with added assurance and protection. This warranty reflects the manufacturer's confidence in the quality and reliability of the product, giving you peace of mind knowing that you are covered in case of any unforeseen issues.

Overall, these disc brake pads offer an unbeatable combination of quality, performance, and durability. With their front and rear placement compatibility, 4-piece quantity, and top-notch material, they are the ideal choice for drivers looking to upgrade their braking system with the best brake pad brand on the market.

Features:

Product Name: Disc Brake Pad Set

Material: Ceramic (best brake pad material)

Product Placement: Front And Rear

Installation Method: Bolt-On (brake pad tool)

Product Dimensions: 6 X 6 X 0.67 Inches

Package Quantity: 1 Set (4 Pieces)

Technical Parameters:

Warranty	1 Year
Shims Included	Yes
Material	Ceramic
Package Quantity	1 Set (4 Pieces)
Color	Black
Product Placement	Front And Rear
Installation Method	Bolt-On
Product Type	Brake Pads
Product Dimensions	6 X 6 X 0.67 Inches
Easy To Install	Yes

Applications:

ZKZB Disc Brake Pad Set (Model: ZK-01001) is a top-quality product designed to provide excellent performance and durability.

Manufactured in China, this brake pad set is a reliable choice for various applications.

Featuring the use of the best ceramic brake pads, the ZKZB Disc Brake Pad Set (Part Number: DBP-001) ensures smooth and efficient braking performance. The inclusion of shims makes installation easier and more convenient, making it a user-friendly choice for both professional mechanics and DIY enthusiasts.

Whether you are looking to replace worn-out brake pads on your daily commuter vehicle or upgrading the braking system of your performance car, the ZKZB Disc Brake Pad Set is suitable for a wide range of vehicles and driving scenarios.

The quantity of 4 pieces in each set ensures that you have an ample supply to replace brake pads on multiple wheels or keep spares handy for future use. The factory number ZK-01001 further signifies the authenticity and quality of this product.

With its easy installation process, the ZKZB Disc Brake Pad Set is a convenient solution for anyone looking to maintain their vehicle's braking system without the need for specialized brake pad tools. The compatibility and reliability of this product make it a go-to choice for individuals seeking a cost-effective and efficient brake pad replacement solution.
